

= To Heart 2 =

To Heart 2 (トハート2 , Tu H?to 2) , stylized as ToHeart2 , is a Japanese romance visual novel developed by Leaf and published by Aquaplus . It was first released for the PlayStation 2 on December 28 , 2004 as an all @-@ ages title , and was followed by an adult version playable on Microsoft Windows and subsequent all @-@ ages versions for the PlayStation Portable and PlayStation 3 . This deviated from the release history of the game 's predecessor , To Heart , which was originally released with adult content prior to receiving versions with such content removed . The gameplay in To Heart 2 follows a branching plot line with multiple endings , which offers pre @-@ determined scenarios and courses of interaction based on the player 's decisions . Its story centers on the male protagonist Takaaki Kouno , and focuses on the appeal of the female main characters .

The game was positively received in both sales and popularity . Its original PlayStation 2 release sold more than 82 @,@ 000 copies in its first week of release in Japan , and it was voted as the third best bish?jo game by the readers of Dengeki G 's Magazine in 2007 . It has since received several spin @-@ off titles , including a sequel entitled To Heart 2 Another Days , which was released on February 29 , 2008 for Windows , and has also made transitions to other media . There have been six anime adaptations of To Heart 2 : an anime television adaptation produced by OLM 's Team Iguchi , which was first broadcast in Japan between October 3 , 2005 and January 2 , 2006 ; and five original video animation series produced by Aquaplus and Chaos Project . Four manga series , fifteen sets of manga anthologies , three Internet radio shows , two drama CDs , and six novel adaptations based on To Heart 2 have also been produced .

= = Gameplay = =

To Heart 2 is a romance " novel @-@ type adventure game " in which the player assumes the role of Takaaki Kouno , who begins his second year of high school after reuniting with a childhood friend . Much of its gameplay is spent on reading the story 's narrative and dialogue . The text in the game is accompanied by character sprites , which represent who Takaaki is talking to , appearing over background artwork . Throughout the game , the player encounters CG artwork at certain points in the story , which take the place of the background art and character sprites . A gallery of the viewed CGs and played background music is available on the game 's title screen . To Heart 2 follows a branching plot line with multiple endings , and depending on the decisions that the player makes during the game , the plot will progress in a specific direction .

The game divides each school day of the storyline into four segments . These segments illustrate the events that occur during Takaaki 's commute to school , during school , after school , and after he returns home at the end of each day . Depending on the time of the day and the player 's actions , he or she may be presented one of three types of events : mandatory events , which occur automatically during certain points in the game 's plot line ; temporary events , which occur during certain periods of time only if specific conditions are met ; or after school events , which occur at the end of each school day .

At the end of each school day , the player will be given the option to navigate to various locations within the game 's setting . Each choosable location is accompanied by an image of a heroine in order to allow the choices to be easier to make . Throughout gameplay , the player is given multiple options to choose from . Text progression pauses at these points , and depending on the choices that the player makes , the affection rate of the heroine associated with the event will either increase , decrease , or remain the same . This mechanism determines which direction of the plot the player will progress into , but influences the story only during Konomi 's and Karin 's plot lines .

In the PlayStation 2 version , there are nine plot lines that the player will have the chance to experience , one for each of the heroines in the story except Sango and Ruri , who share the same plot line . This is expanded to ten plot lines in the Windows and PlayStation Portable versions with the addition of Sasara 's scenario , and further expanded to eleven scenarios in the PlayStation 3 version with the addition of Mio 's scenario . In order to view all of the plot lines , the player will have

to replay the game multiple times and make different decisions to progress the plot in alternate directions . In all versions , the game also contains a bad ending in which the player is unable to pursue the other scenarios . This ending serves as the basis of the Another Days scenario in To Heart 2 Another Days , which allows the player to pursue an additional seven heroines .

To Heart 2 X Rated , the Windows version of the visual novel , includes two additional minigames that serve to lengthen the experience the game provides ; these minigames do not affect the main plot in any way . In both minigames , the player controls one of the heroines from To Heart 2 's storyline , who is made available upon the completion of her scenario in the main portion of the game . The first of the two minigames , titled " Super Sweets Scramble " (??????????????? , S?paa Suiitsu Sukuranburu) , is a scrolling shooter in which the player 's goal is to progress through a vertically scrolling level , while attacking enemies that resemble confectioneries and dodging their attacks . The second , titled " Dokidoki Panic Library " (??????????????? , Dokidoki Panikku Raiburari) , is a puzzle game in which the player competes against an opponent for the highest score , by connecting three or more books of the same color and eliminating them from the screen .

= = Plot and characters = =

To Heart 2 's story revolves around the male protagonist Takaaki Kouno , a high school student who has an aversion to most girls around him , and focuses on his interactions with his schoolmates . The story begins on March 1 , 2004 , when Takaaki 's parents leave for an overseas business trip . That morning , Konomi Yuzuhara , Takaaki 's childhood friend , comes to meet Takaaki for their commute to school . Konomi is a cheerful and innocent , but childish girl . She is one year younger than Takaaki , who often views her as a younger sister . The two are also friends with Yuuji Kousaka , who is in the same class as Takaaki . Despite being the son of a wealthy and prestigious family , Yuuji has a frivolous and carefree personality , and often flirts with the girls at school . Takaaki later reunites with Tamaki Kousaka , another childhood friend , who had promised to return before being enrolled into a boarding school . Tamaki has a strong and dominant personality , and tends to act as an elder sister figure to those around her . She later transfers into Takaaki 's high school upon the beginning of the new school year .

Throughout the story , Takaaki meets several other heroines attending his school . The first is Manaka Komaki , a timid , clumsy , but accommodating girl who is the vice class representative of Takaaki 's class . She often spends time in the school library 's storage , and helps the library committee with general tasks . Similar to Takaaki , she is inarticulate around the opposite gender . Manaka is also close friends with Yuma Tonami , an aggressive girl who commutes to school by a mountain bike . Yuma sees Takaaki as a rival after she first met him at school , and often challenges him to various duels . She often laments her grandfather 's insistence of having her take over the family business , and attempts to hide her family background from Takaaki . Karin Sasamori is a schoolmate of Takaaki 's and the founder of the school 's mystery club . Karin has a cheerful and energetic personality , and has an odd affection towards the occult and objects such as egg sandwiches . She first meets Takaaki early in the story , and later deceives him into joining the mystery club .

Sango Himeyuri is an underclassman who takes a liking to Takaaki . She is lively and innocent , but also intelligent . She is in particular proficient in computer @-@ related subjects , and designed multiple humanoid maid robots as an engineer for Kurusugawa Electronics . Ruri Himeyuri is another underclassman of Takaaki and Sango 's younger twin sister . In contrast to her older sister , Ruri has a bad @-@ mouthed and hostile personality . She is very protective of Sango , and often regards Takaaki 's interactions with her in bad faith . Lucy Maria Misora is a girl whom Takaaki meets one day on his way home . She has a calm personality , and opens up to very few people except him . Lucy claims to be an alien , and speaks a unique language she calls the " R? Language " (??? , R?go) . She later attends Takaaki 's school under the name R?ko Kireinasora . Y?ki Kusakabe is a gentle and well @-@ mannered girl who often lingers in the school building at night . She was one of Takaaki 's classmates in elementary school , but has since transferred away because of her parents ' divorce .

Two heroines were subsequently added to To Heart 2 's story in later versions of the game . Sasara Kusugawa becomes the student council president of Takaaki 's school during his second year . She inherits her position from the previous president Ma @-@ ryan , as she is the only remaining student council member after the latter 's graduation . Sasara is very diligent , often completing all of the student council 's tasks by herself . She is often feared by students for her strict attitude , but is actually disguising a shy and gentle personality . Mio Hanesaki is Takaaki 's classmate . She remains largely unnoticed by other students , most of whom remain oblivious of her name . She originally ties her hair up and wears eyeglasses , but later wears contact lens and her hair untied as an attempt by Takaaki to change the impression she gives to others .

= = Development = =

To Heart 2 's development originally began as a collaborative effort for the PlayStation 2 between the Osaka and Tokyo studios of Aquaplus . During one of the staff meetings for the partnered project , To Heart 2 was conceived when a staff member jokingly mentioned the possibility of a sequel for the original To Heart . Production began shortly after once the team realized the popularity and success of the forerunner . Naoya Shimokawa , the president of Aquaplus , produced the resulting project , and Tsutomu Washimi served as the game 's director .

The work on the game 's scenario was split between four writers . Sh?suke Miyake drafted the game 's overall storyline as well as the scenarios for Sango , Ruri , and Lucy ; Nagare Makura wrote the scenarios for Manaka and Yuma ; Takeshi Marui for Karin and Y?ki ; and Munemitsu for Konomi and Tamaki . Likewise , the game 's character designs were split amongst four artists . Misato Mitsumi provided the character designs and illustrations for Konomi and Yuma ; Hisashi Kawata for Lucy and Karin ; Tatsuki Amazuyu for Tamaki and Manaka ; and Takeshi Nakamura for Sango , Ruri , and Y?ki . The game 's music was composed by Shimokawa , Junya Matsuoka , Shinya Ishikawa , Kazue Nakagami , and Michio Kinugasa .

Since the development staff had an equal number of writers as illustrators , it was originally planned to pair each illustrator with a single scenario writer ; Mistumi was also to provide designs for the main heroine . Though this would have simplified the project 's work load by easing communications among the staff , the idea was scrapped once the staff realized that the final product might merely be a collection of four distinct pieces . Ultimately , writing and design responsibilities were divided based on the staff members ' individual preferences . The staff also commented that the development team faced communication difficulties because of the physical distance between the two Aquaplus studios . Early in production , members from both studios gathered in a single location to discuss development , but as production progressed , they began to rely on other methods of communication such as telephone calls and instant messaging . Washimi noted that these methods made it complicated for the writers and illustrators to communicate effectively , and during the development of To Heart 2 X Rated , Miyake took a two @-@ month @-@ long business trip to Osaka to rectify the problem .

Rather than creating a new setting for To Heart 2 , the development team chose to roll over various inherent features from the original . The majority of the game is set within the same school and town , but instead focuses on the northern side of town , rather than the southern side , which is the primary setting of To Heart . The story is set two years after To Heart , and its lack of mobile phones was an attempt to replicate the technological themes of its predecessor . Despite the story 's inclusion of maid robots , the writers stated that the story 's setting was influenced by the 1990s , during which To Heart took place . As the only artist to return from the original 's development team , Kawata was consulted by the other illustrators for character designs . He commented that the other artists attempted to create their designs with respect to the previous work , but he decided otherwise by attempting to " shape a new image " for the designs . The illustrators avoided creating a character with green hair as a heroine , because of the overwhelming impression the character Multi had left them in To Heart . Miyake noted that it was difficult for him to write the scenario for To Heart 2 because the game 's development began during the time he was writing December When There Is No Angel , and Ruri and Sango 's original scenario had to be rewritten because of their

overwhelming resemblance to the latter title .

== Release history ==

To Heart 2 was first released as an all @-@ ages title for the PlayStation 2 on December 28 , 2004 in three versions : a limited edition , a deluxe edition , and a regular edition . The limited edition release contains the game itself , an original soundtrack disc , a visual concept collection , a calendar , and a special casing ; the deluxe edition contains the extras included in the limited edition and a version of To Heart playable on the PS2 ; the regular edition does not contain the aforementioned extras . The original PS2 version was followed by an adult version entitled To Heart 2 X Rated (stylized as ToHeart2 XRATED) . It was first released on December 9 , 2005 for Microsoft Windows PCs as a limited edition , and was subsequently followed by a regular edition release on December 23 , 2005 . X Rated is the fifth title in the Leaf Visual Novel Series ; it contains additional scenarios and introduces a new heroine named Sasara Kusugawa . Its source code was released by Aquaplus under the GNU General Public License on December 22 , 2005 along with the source code for Arur? to Asobo ! ! , Tears to Tiara , and Kusari . This decision was made due to the inclusion of Xvid derived code ; Xvid being distributed under the same license . The source code for all four games is distributed upon request in CD @-@ R format . A source code mirror is hosted on GitHub .

An all @-@ ages version , titled To Heart 2 Portable , was released for the PlayStation Portable on July 30 , 2009 . Unlike previous releases , the PSP release allowed viewing the game in both the original 4 : 3 and widescreen 16 : 9 aspect ratios . It was released in three versions : " W Pack Limited Edition " , " W Pack " , and a regular edition . W Pack includes a version of To Heart playable on PSP , while the limited edition also includes figurines of characters Sasara and Ma @-@ ryan . A budget @-@ priced version of Portable was released on April 25 , 2013 , while a downloadable version for the PlayStation Store followed on May 30 . An enhanced re @-@ release for the PlayStation 3 , titled To Heart 2 DX Plus , was released on September 22 , 2011 in limited and regular editions . DX Plus is a compilation of To Heart 2 and its spin @-@ off To Heart 2 Another Days . It contains new computer graphic illustrations , additional and rewritten scenarios , including a new heroine named Mio Hanesaki , and Motion Portrait graphics rendering . The limited edition release contains a 300 @-@ page A4 @-@ sized art book named To Heart 2 Perfect Visual Collection (ToHeart2 ?????????????????? , ToHeart2 Paafekuto Bijuaru Korekushon) , a four @-@ disc soundtrack titled To Heart 2 Complete Soundtrack (ToHeart2 ?????????????????? , ToHeart2 Konpuriito Saundotorakku) , and the game itself . A budget @-@ priced release and a downloadable version of DX Plus were released on June 26 , 2014 .

== Spin @-@ offs ==

To Heart 2 has received multiple spin @-@ off titles since its initial PlayStation 2 release . The first spin @-@ off release is a desk accessory package titled To Heart 2 Desktop Accessory (ToHeart2 ?????????????????? , ToHeart2 Desukutoppu Akusesarii) and released by Aquaplus on November 25 , 2005 in limited and regular editions . The release is a collection of multiple wallpapers , screensavers , desktop mascots , voice clips , and a typing game titled " Typing in Heart " (?????? in ??? , Taipingu in Haato) . Its limited edition release contained a binder and a ballpoint pen , both of which are not found in the regular edition release . The second spin @-@ off release is a visual novel titled To Heart 2 Another Days , and it was first released as an adult game on February 29 , 2008 for Microsoft Windows PCs in limited and regular editions . Another Days ' plot takes place in the fall as a continuation of To Heart 2 's story , and its main storyline allows the player to pursue seven heroines consisting of both supporting female characters from To Heart 2 and new characters . In addition , Another Days also contains two additional scenarios that extend storylines from the original game . The first additional scenario is based on Manaka 's scenario , and features Ikuno as the protagonist , while the second scenario extends Konomi 's scenario , and features Tamaki and Konomi as heroines . Another Days ' limited edition release was bundled with a soundtrack disc

titled To Heart 2 Secret Sound Track , which contained additional music not found in To Heart 2 's original soundtrack release . The scenarios of Another Days are also included as part of the PlayStation 3 compilation , To Heart 2 DX Plus .

The third spin @-@ off release is entitled Manaka de Ikuno !! (?????? !!) , and it was released in both limited and regular editions on December 18 , 2009 for Microsoft Windows PCs . Manaka de Ikuno !! itself is a collection of four games : a role @-@ playing video game titled " Final Dragon Chronicle : Guilty Requiem " featuring the characters of To Heart 2 , an action game titled " Magical Fight ! " (???? Fight ! , Majikaru Faito !) , a collectible card game titled " Princess Collection " , and a 3D visual novel titled " Mananatsu : linch? to Tokubetsu na Ichinichi " (???? ? ?????????? ?) featuring Manaka as the heroine . Its limited edition release included an illustration book and an original soundtrack disc ; the regular edition did not contain the aforementioned extras . An all @-@ ages version of " Final Dragon Chronicle " for the PlayStation Portable , titled To Heart 2 : Dungeon Travelers (ToHeart2 ???????????? , ToHeart2 Danjon Toraberaazu) , was released on June 30 , 2011 . The visual novel also inspired a pachinko slot machine produced by Sammy . The pachinko slot adaptation , named Pachislot To Heart 2 , was released to Japanese pachinko parlors in February 2012 . A video game recreation of Pachislot for the PS3 was later released by Aquaplus on October 25 , 2012 . The characters Tamaki , Konomi , Manaka and Sasara appear as playable characters in the 2011 fighting game Aquapazza : Aquaplus Dream Match , while Yuma and Ma @-@ ryan appear as supporting partner characters . The game 's characters also appear in their Dungeon Travelers attire as downloadable content playable characters for the PlayStation Vita version of Dungeon Travelers 2 : ?ritsu Toshokan to Mamono no F?in .

= = = Books and publications = = =

A 113 @-@ page guidebook titled To Heart 2 : Master Guide was published by MediaWorks on January 15 , 2005 . The book contains poster artwork , the ' face patterns ' of each character , selected CG scenes and a guide on how to play through each character 's scenarios . Voice actress interviews are also included , as well as a brief guide on how to play through each scenario in To Heart . This was followed by another 192 @-@ page guidebook for the visual novel titled The Essence of To Heart 2 : To Heart 2 Official Guidebook , which was published by Enterbrain on March 4 , 2005 . The book contains detailed character descriptions , a complete walk through to every heroine in the game , computer graphics , and interviews with the game 's development staff . Enterbrain also released a 223 @-@ page guidebook entitled The Essence of To Heart 2 Portable : To Heart 2 Portable Official Guidebook for the PlayStation Portable version of the game on August 18 , 2009 . The guidebook is based on the original Essence for the PlayStation 2 game , but contained new and revised content for the PSP version . A guidebook for the PSP spinoff To Heart 2 : Dungeon Travelers , named To Heart 2 : Dungeon Travelers Official Complete Guide , was released by Enterbrain on August 11 , 2011 .

Multiple novels based on the To Heart 2 franchise have also been published by several publishers . A single @-@ volume short story anthology entitled To Heart 2 Short Stories was published by Square Enix under their Game Novels imprint on June 30 , 2005 . This was followed by three light novels written by Osamu Murata and published by Harvest Novels under their Nagomi Bunko imprint . The first volume , titled To Heart 2 Multiple Choice : Takaaki Kakushigo B?d? ! ? (ToHeart2 MultipleChoice ? ???????? ? ? ? , To Heart 2 Multiple Choice : Takaaki 's Illegitimate Child Crisis ! ?) , was illustrated by Y?ichi Arika and released on October 5 , 2009 . The second , titled To Heart 2 Two Pieces : Manaka and Sasara (ToHeart2 TwoPieces ? ??????? ? , ToHeart2 TwoPieces : Manaka to Sasara) , was illustrated by Arika and Atsuto Shinozuka and released on June 1 , 2010 . The third , titled To Heart 2 Two Pieces : Konomi and Tamaki (ToHeart2 TwoPieces ? ?????? ? , ToHeart2 TwoPieces : Konomi to Tamaki) , was illustrated by Tasuku Iizuki and Sana Wakatsuki and released on July 5 , 2010 .

Harvest also released a two @-@ volume short story compilation entitled To Heart 2 Tanpensh? (ToHeart2 ??? , To Heart 2 Short Story Collection) and written by Ikkaku Morino , Y?ri Nanami , and Tomoyuki Fujinami . The first volume was released on December 5 , 2010 , while the second was released on June 1 , 2011 . A single @-@ volume light novel based on the " Final Dragon Chronicle " minigame was again published by Harvest . The novel , titled To Heart 2 : Final Dragon Chronicle Sono Go (ToHeart2 ?????????????? ? ??? , ToHeart2 : Fainaru Doragon Kuronikuru Sono Go , To Heart 2 : Final Dragon Chronicle Thereafter) , was written by Takuya Baba , illustrated by Ushio Komone , and released on February 20 , 2011 .

= = = Manga = = =

To Heart 2 has received multiple manga adaptations since its original visual novel release . The first manga series was illustrated by Haruka Ogataya and serialized in the sh?nen manga magazine Dengeki Daioh between February 21 , 2005 and January 21 , 2007 . The individual chapters were later compiled into three bound volumes published by MediaWorks between October 22 , 2005 and May 26 , 2007 . The second manga adaptation , titled To Heart 2 : Colorful Note , is a retelling of the entire To Heart 2 story . Colorful Note was illustrated by Tsuna Kitaumi and serialized in the sh?nen manga magazine Monthly GFantasy between March 18 , 2005 and March 18 , 2008 . It was later collected into five volumes published by Square Enix between October 27 , 2005 and April 27 , 2009 . Another manga , titled To Heart 2 SD : Seitokai Days , was serialized in the manga magazine Manga 4 @-@ koma Kings Palette Lite between July 2 , 2008 and September 2 , 2010 and was illustrated by Natsuki Miyama . It was released as a single bound volume by Ichijinsha on December 22 , 2009 . A manga adaptation of To Heart 2 Another Days was serialized in ASCII Media Works 's Dengeki G 's Festival ! Comic between July 26 , 2008 and August 26 , 2010 . Another Days was illustrated by S? , and was collected into two bound volumes released on February 26 , 2010 and April 27 , 2011 .

There are also fifteen sets of manga anthologies produced by different companies and drawn by a multitude of different artists . The first anthology series , titled simply To Heart 2 , was published by Square Enix as two volumes on February 18 and May 27 , 2005 . It was followed by a sixteen @-@ volume anthology series titled To Heart 2 Comic Anthology released by Ichijinsha between February 25 , 2005 and June 25 , 2007 . A two @-@ volume anthology series titled To Heart 2 Anthology Comic was released by Fox Publishing between March 10 and June 25 , 2005 . The fourth anthology series , titled To Heart 2 : 4 @-@ koma Manga Gekij? (ToHeart2 ??????????) and published by Square Enix , was released on March 18 and June 30 , 2005 in two volumes . A three @-@ volume anthology named Anthology Comic To Heart 2 was released by Ohzora Publishing between March 24 and August 24 , 2005 in three volumes . A two @-@ volume anthology series , titled Comic Anthology To Heart 2 : Anata ga Koisuru Monogatari (???????????? ToHeart2 ? ?????????? ?) , was published by Broccoli and distributed by Jive on April 2 and August 1 , 2005 . A single @-@ volume anthology , again titled To Heart 2 Anthology Comic , was published by Enterbrain under their Magi @-@ Cu Comics imprint on April 25 , 2005 .

A single @-@ volume manga anthology , again titled simply To Heart 2 , was published by Mag Garden under their BC Anthology Collection on May 28 , 2005 . Another manga anthology series , named To Heart 2 4 @-@ koma Kingdom (To Heart2 4??KINGDOM) , was published by Futabasha in two volumes on May 28 and October 29 , 2005 . Hobby Japan released a single @-@ volume manga anthology , again titled To Heart 2 Anthology Comic , on July 25 , 2005 . This was followed by a single @-@ volume anthology named Anthology Comics To Heart 2 Heartful 4 @-@ koma (????????????To Heart2??????4?? , Ansorogiji Komikkusu To Heart 2 Haatofuru 4 @-@ koma) and published by Ohzora on September 24 , 2005 . The twelfth anthology released was a three @-@ volume series titled To Heart 2 : Special Days Comic Anthology and published by Ichijinsha between May 24 and July 25 , 2008 . A single @-@ volume anthology titled Magi @-@ Cu 4 @-@ koma To Heart 2 (??????4?? ToHeart2 , Majiky? 4 @-@ koma ToHeart2) was published by Enterbrain on June 25 , 2008 . Another single @-@ volume anthology titled To Heart 2 : After School Diary 4 @-@ koma Maximum and published by Bunendo followed its release on August 11 ,

2008 . The last manga anthology series , titled To Heart 2 Anthology Comic : Precious Days , was released by Capcom on December 10 , 2008 and February 20 , 2009 as two volumes .

= = = Anime = = =

An anime television adaptation of To Heart 2 was produced by OLM 's Team Iguchi , directed by Norihiko Sud? , and was scripted by head writer Hiroshi Yamaguchi . Both members had previously served the same positions for the studio 's Comic Party anime adaptation , and Yamaguchi was also the main writer for the To Heart anime . The anime series , containing fourteen episodes , was first broadcast in Japan between October 3 , 2005 and January 2 , 2006 on Television Kanagawa as a UHF anime . Out of the fourteen episodes , thirteen were regular episodes , while a summary episode also aired after the eleventh episode . Inspired by the film Mystery Train , Sud? and the production staff created the series ' story as a nonlinear narrative ; each episode of the anime follows a different heroine 's interactions with the protagonist over the same span of time . The anime series was released in Japan as seven separate DVD volumes between December 22 , 2005 and June 23 , 2006 by Imagica . A DVD box set containing the series was released on September 10 , 2008 .

There have also been five sets of original video animation series produced by Chaos Project and Aquaplus . Of the five OVA series , Yasuhisa Kat? directed the first two sets of episodes , while Jun 'ichi Sakata replaced him for the remaining episodes . The first OVA series , containing three episodes , were released by Imagica as three DVD volumes between February 28 and September 28 , 2007 . The second set of two OVA episodes , titled To Heart 2 AD , was released by Frontier Works as two DVD volumes between March 26 and August 8 , 2008 . The third set of two episodes , titled To Heart 2 AD Plus , followed as two DVD volumes between April 24 and October 7 , 2009 . The fourth set of two episodes , titled To Heart 2 AD Next , was released as two volumes in Blu @-@ ray Disc and DVD formats on September 23 and December 22 , 2010 . The fifth set of two episodes , titled To Heart 2 : Dungeon Travelers , was released as two volumes in BD and DVD formats on February 22 and July 25 , 2012 . To commemorate the visual novel 's tenth anniversary , a BD box set collecting all eleven episodes on two discs will be released on December 3 , 2014 .

= = = Internet radio shows = = =

There have been three Internet radio talk shows pertaining to To Heart 2 . The first radio show was titled Radio To Heart 2 , and was hosted by Yurika Ochiai and Shizuka It? , who voiced Konomi and Tamaki respectively in the visual novel . After the show 's initial run on the Japanese Internet radio network Onsen ended on March 30 , 2006 with its twenty @-@ fifth episode , it began its renewed broadcast on Radio Kansai and the Animate.tv website in April 2006 , and continued to broadcast until its 116th episode on January 17 , 2008 . Seven CD compilations , each containing thirteen of the show 's renewed episodes and an extra recording , were released between November 25 , 2006 and December 26 , 2008 . It was followed by a second radio show , titled Sasara , Ma @-@ ryan no Seitokai Kaich? Rajio for To Heart 2 (??? ? ?????????????? for ToHeart2 , Sasara and Ma @-@ ryan 's Student Council President Radio for To Heart 2) . The show is hosted by Ry?ko Ono and Ema Kogure , who voiced Sasara and Ma @-@ ryan respectively , and began streaming on Onsen on February 15 , 2008 . Eleven CD compilations , each containing thirteen episodes and an extra recording , have been released since December 26 , 2008 , with the latest volume having been released on September 30 , 2011 .

The third Internet radio show , titled Kurusugawa J?k? Purezentsu Meidorobo 3 Shimai Rajio Hajimemashita (?????????? ?????????? ?????????? , Kurusugawa Industries Presents : Maid Robot Sisters Began A Radio Show) , was hosted by Emiko Hagiwara , Kotomi Yamakawa , and Harumi Sakurai , who voiced Ilfa , Harumi , and Silfa respectively . The radio show was streamed on Animate.tv between September 7 , 2009 and April 5 , 2010 , and lasted thirty episodes . The episodes were compiled into three CD volumes , each containing ten episodes and an extra recording . The first CD volume was first sold at the Aquaplus Festa 2009 and Comiket 77 events in

December 2009 , before receiving a public release on January 29 , 2010 , while the third volume was first sold at Comiket 78 in August 2010 , and later on September 23 , 2009 as a public release .

== Music and audio CDs ==

Three pieces of theme music are used in the original To Heart 2 visual novel . " Heart to Heart " , the opening theme , was performed by Arisa Nakayama and composed by Kazue Nakagami . " Arigat? " (????? , " Thank You ") , the ending theme , was performed by Akko and composed by Naoya Shimokawa . Both songs ' lyrics were written by Sh?ko Sudani . An insert song , " Hoshi no Uta " (??? , " Star 's Song ") , is also used in Y?ki 's storyline . The song was performed by Rina Sat? , who voiced Y?ki in the visual novel , and composed and written by Takeshi Marui . The first music CD published for the game was the original soundtrack album . The soundtrack 's release preceded that of the visual novel 's on December 22 , 2004 , and the two @-@ disc album contains thirty @-@ eight tracks collected from the background music and theme songs used in the game . A separate soundtrack album containing thirty @-@ three tracks was also packaged with the game 's limited and deluxe edition releases . This was then followed by an album titled Heart to Heart by Nakayama on June 22 , 2005 , which contains the opening theme and songs from other Leaf video games .

An image song album , titled To Heart 2 Character Songs , was released on November 23 , 2005 containing nine songs sung by the voice actresses who voiced the heroines found in To Heart 2 .
