

= Mississippi Highway 9W =

Mississippi Highway 9W (MS 9W) is a 20 @. @ 3 @- @ mile (32 @. @ 7 km) long state highway located in northern Mississippi . The southern terminus of the route is at MS 9 north of Bruce in Calhoun County while the northern terminus is at MS 7 south of Oxford in Lafayette County . The route is a two @- @ lane undivided road its entire length and passes through rural areas of woods and farms . Along the way , MS 9W intersects MS 315 in Paris . MS 9W was designated to follow its current alignment in 1956 and was fully paved from a gravel road by 1960 .

= = Route description = =

MS 9W begins at an intersection with MS 9 to the north of Bruce in Calhoun County . The route heads northwest on a two @- @ lane undivided road through a mix of woods and farmlands with a few homes . The road turns to the north and reaches the community of Banner , where the road crosses two County Roads : CR 275 and CR 267 . MS 9W enters a dense forest as it curves northwest again and heads into more agricultural fields , coming to a junction with CR 284 . After crossing into Lafayette County , the route reaches the community of Paris and intersects the eastern terminus of MS 315 as well as CR 428 . After this intersection , MS 9W passes through several more miles of forests , intersecting CR 371 before reaching its terminus at MS 7 to the south of Oxford . MS 9W is legally defined in Mississippi Code § 65 @- @ 3 @- @ 3 .

= = History = =

MS 9W was designated in 1956 for a gravel road connecting MS 9 north of Bruce to MS 7 south of Oxford . By 1960 , the entire route was paved . Since then , the route has not undergone any alignment changes .
