

= Konnan =

Charles Ashenoff ( born January 6 , 1964 ) also known as Carlos Santiago Espada Moises and better known by his ring name , Konnan , is a Cuban professional wrestler and rapper . Konnan is well known in Mexico due to his appearances on Mexican television , particularly with Asistencia Asesoría y Administración ( AAA ) , and has in the past been described as " the Mexican Hulk Hogan " , reflecting his mainstream popularity .

= = Early life = =

Born in Santiago , Cuba of Puerto Rican and Cuban descent , Konnan 's family relocated to Miami , Florida while he was a child . He had a troubled childhood , during which he was expelled from one other high school before graduating from Southwest Miami Senior High School in 1982 . Ashenoff served time in prison after joining a street gang . After his incarceration was over , Ashenoff fled Miami due to conflicts with other drug dealers . He was given a choice of either going to jail or entering the military . He decided to join the United States Navy and served for four years . While in the Navy , he trained as a boxer , becoming the Californian Middleweight Amateur Boxing Champion in 1982 and 1983 . He also represented the United States in fights around the world .

During his residence in San Diego , Ashenoff became a bodybuilder then later a wrestler , following a meeting with wrestling promoter John Roberts , who introduced him to Rey Mysterio , Sr. Comparing the masked and caped wrestlers he met to " superheroes " , Ashenoff was impressed by the colorful Mexican wrestling culture . He subsequently traveled to Tijuana , Mexico where , alongside Psicosis , Rey Mysterio , Jr . , Halloween and Damián 666 , he trained under the tutelage of various veteran luchadores . Wearing a mask and billed as El Centurión ( " The Centurion " ) , Ashenoff debuted for the Universal Wrestling Association ( UWA ) on January 6 , 1988 . He competed in an eight @-@ man tag team match for the sum of \$ 200 MXP ( \$ 19 @.@ 13 USD / ? 16 @.@ 03 EUR ) .

= = = World Championship Wrestling ( 1990 ) = = =

Konnan 's first appearance with World Championship Wrestling ( WCW ) was at Starrcade on December 16 , 1990 . Teaming with his trainer and mentor , Rey Mysterio , Sr. , Konnan entered the Pat O 'Connor Memorial International Cup Tag Team Tournament held at the event . They defeated Norman Smiley and Chris Adams in the quarter @-@ finals , but lost to eventual winners , the Steiner Brothers ( Rick and Scott ) in the semi @-@ finals .

= = = World Wrestling Federation ( 1991 ) - Max Moon = = =

While still part of WCW , Konnan was contacted by talent scout Pat Patterson on New Year 's Eve 1990 , which led to a meeting with Vince McMahon , where the initial idea for what became Max Moon was discussed . According to Konnan , " When I was wrestling in Japan , I saw this Japanese anime cartoon robot on TV that shot confetti and fire . [ Vince ] asked if I knew anybody that could design it . " Konnan was given an outfit ( purchased by the WWF at the cost of \$ 13 @,@ 000 ) bedecked with circuitry and a pyrotechnic gun that shot sparkles into the crowd . Konnan recollected later that the costs associated with the costume led to problems between himself and the promotion right from the start .

Days later he received a tryout on January 7 , 1991 at a WWF Superstars taping in Amarillo , Texas

defeating Ultraman . He returned again on March 26 in Las Vegas , Nevada , defeating Louie Spicolli in a WWF Superstars dark match . He would defeat Spicolli again one night later at a Wrestling Challenge taping in Reno . Konnan returned again on January 7 , 1992 at a WWE Superstars taping in Daytona , Beach FL . Wrestling this time as The Latin Fury , he defeated The Heartbreaker . The next day he defeated The Juicer in a dark match at a Wrestling Challenge taping in Fort Myers , Florida . Konnan would wrestle twice more as The Latin Fury , the final time at a house show in Hyannis , Massachusetts on July 19 , 1992 when he defeated Pete Dougherty .

The next day , when he appeared at a WWF Superstars taping in Worcester , Massachusetts against Luis Mendieta , he was renamed Relampago . He wrestled again as Relampago the following night against Johnny Rodriguez . A little over a month later he received the gimmick that he would become known for , Max Moon ( although he was originally called The Comet Kid for a handful of appearances ) . The Moon character , created by Konnan , was that of a cyborg from " The Future " or " Outer Space " .

Konnan was still working in Mexico while under contract to WWE , and was also simultaneously appearing in a Mexican telenovela aimed at children called El abuelo y yo " . As he was becoming more popular in Mexico , he was not as focused on making it in America . Konnan recollected , " Wrestling was so hot in Mexico , because they had lifted this 30 @-@ year ban on wrestling on TV in Mexico City . I was able to capitalize on that wrestling boom . I was wrestling three times in one day on many weekends . The amount of work was incredible . It was like when Raw and Nitro were going head @-@ to @-@ head and there was work for everybody . "

There was also some locker room tension over the costs associated with the costume , Konnan 's perceived attitude , and Konnan also was missing tapings because he was more successful in Mexico and was not focusing on WWF . In the end , the Max Moon character was given to Paul Diamond , who appeared as the character on the first episode of Monday Night Raw on January 11 , 1993 .

= = = Empresa Mexicana de la Lucha Libre ( 1991 @-@ 1992 ) = = =

Konnan joined Empresa Mexicana de la Lucha Libre ( EMLL ) , where he was pushed into the main event . In the EMLL , Ashenoff adopted the ring name Konnan El Barbaro ( " The Barbarian " ) . He lost his mask to Perro Aguayo in a Lucha de Apuesta mask versus hair match . After the match , a young boy ? introduced as Konnan 's brother ? entered the ring crying and handed Konnan his mask back , generating considerable bonhomie towards Konnan from the sympathetic crowd ( in lucha libre , losing one 's mask can be a major , career shaping event ) . Konnan went on to become the first ever CMLL World Heavyweight Champion by winning a tournament in Mexico City on June 9 , 1991 . He , however , lost the title to Cien Caras in his first title defense on August 18 , 1991 .

= = = Asistencia Asesoría y Administración ( 1992 ? 1996 ) = = =

In 1992 , Konnan , along with several other EMLL wrestlers , joined Asistencia Asesoría y Administración ( AAA ) . Shortening his ring name to simply " Konnan " , he feuded with Cien Caras . Following interference from Jake Roberts , Konnan lost a two out of three falls retirement match by count @-@ out to Caras at Triplemanía I on April 30 , 1993 in front of 48 @,@ 000 fans in Mexico City , setting the all @-@ time attendance record for a Mexican wrestling event . Konnan did not comply with the stipulations of the match and returned to defeat Roberts in a hair versus hair match at Triplemanía II on May 27 , 1994 in Tijuana .

Later in 1994 , Konnan began a storyline where he betrayed his tag team partner , Perro Aguayo , and formed a heel alliance known as Los Gringos Locos with Eddie Guerrero , Art Barr and Madonna 's Boyfriend . Aguayo gained his revenge on Konnan by defeating him in the only AAA pay @-@ per @-@ view , " When Worlds Collide " , in a steel cage match . He eventually became the AAA booker . Konnan defeated Killer on February 2 , 1996 in Querétaro to become the first ever AAA Heavyweight Champion . He vacated the title after leaving AAA in October 1996 to form his own promotion , Promo Azteca , and the title remained inactive until 2004 . Konnan 's Mexican

wrestling career was hampered in the late @-@ 1990s by his American wrestling commitments , and Promo Azteca closed in 1998 . He made a return to the Mexican wrestling circuit in the 2000s after a six @-@ year absence , selling out arenas in Mexico City and Guadalajara .

= = = World Wrestling Federation ( 1992 ? 1993 ) = = =

Debuting in the WWF on September 1 , 1992 in Hershey , Pennsylvania under the name the Comet Kid , he pinned Duane Gill . After three televised matches , Konnan abruptly left the WWF following a disagreement with WWF owner Vince McMahon in 1992 . Konnan was not showing up for WWF events due to his rising fame in Mexico , and his supposed " bad attitude " and heat from fellow WWF workers lead to a very strained relationship with McMahon , who had invested heavily in the Max Moon character , both financially and creatively , up until that point . The Max Moon gimmick was subsequently given to Paul Diamond for a brief run , before being abandoned .

= = = Extreme Championship Wrestling ( 1995 ) = = =

Konnan once again attempted to expand his activities out of Mexico in the mid @-@ 1990s . After meeting Extreme Championship Wrestling ( ECW ) booker Paul Heyman while on a wrestling tour of Singapore , Konnan joined ECW in 1995 and feuded with The Sandman . He appeared at ECW November to Remember on November 18 , 1995 , squashing Jason Knight . He also wrestled at an event co @-@ promoted by ECW and the AAA in Chicago , Illinois .

= = = World Championship Wrestling ( 1996 @-@ 2001 ) = = =

= = = U.S. Champion ; Dungeon of Doom ( 1996 ? 1997 ) = = =

Feeling that he had accomplished all that he could in Mexico and desiring to expand his popularity north of the border , Konnan returned to WCW on a full @-@ time basis on the January 22 , 1996 edition of Nitro . Promising , in a promo at the start of the show , to defend his " Mexican Heavyweight Championship " against Psicosis the next week . As a WCW employee , he was largely responsible for the hiring of several prominent Mexican wrestlers by WCW , including Rey Mysterio Jr . , Psicosis , Juventud Guerrera and La Parka . Konnan defeated The One Man Gang for the WCW United States Heavyweight Championship on January 29 , 1996 . During his reign , he continued to defend his IWAS and AAA Heavyweight Championships in Mexico ( these championships were billed as a " Mexican Heavyweight Title " wherever Konnan wore one or the other to a WCW ring ) . He lost the United States Title to Ric Flair on July 7 , 1996 at Bash at the Beach following interference from Flair 's valets , Miss Elizabeth and Woman . Several months after losing the United States Championship , Konnan became a villain and joined the Dungeon of Doom .

= = = nWo ( 1997 ? 1999 ) = = =

Konnan joined the New World Order ( nWo ) on July 14 , 1997 . Konnan developed an increasingly hip @-@ hop based gimmick and was nicknamed " K @-@ Dogg . " During his first stint in the nWo , Konnan feuded with the Luchadores whom he had brought to WCW . During this storyline , he wrestled in a Mexican Death match at Road Wild against Rey Mysterio , Jr. and a match against Juventud Guerrera at Uncensored in March 1998 . When the nWo divided into two rival factions on the May 4 , 1998 episode of Nitro , Konnan sided with the nWo Wolfpac , led by Kevin Nash . The Wolfpac feuded with nWo Hollywood , led by Hollywood Hogan and became tweeners . On the November 30 , 1998 episode of Nitro , Konnan defeated Chris Jericho for the WCW World Television Championship . His reign lasted until December 28 , 1998 , when he lost to nWo Hollywood member Scott Steiner on Nitro following interference from Buff Bagwell . When the two

halves of the nWo reunited in January 1999 , Konnan was thrown out of the nWo for standing up for Rey Mysterio , Jr and was attacked by Lex Luger . As a result , he became a fan favorite and teamed with Mysterio to fight the nWo . After feuding with nWo member Lex Luger , Konnan and Mysterio , Jr. were defeated by The Outsiders at SuperBrawl IX , with The Outsiders removing Mysterio 's mask in the process . Konnan later criticized WCW for not respecting Mexican wrestling culture by writing storylines that saw several Mexican wrestlers unceremoniously unmasked ( Juventud Guerrera , Psicosis , and Mysterio unmasked in WCW ) . He compared asking a luchador to remove their mask to " going to Japan and telling the Japanese they have to eat with a fork instead of chopsticks " .

= = = No Limit Soldiers ; Filthy Animals ( 1999 ? 2001 ) = = =

Konnan spent several months feuding with Disco Inferno , and then he began a rivalry with Stevie Ray . He and Mysterio formed an alliance with Master P and his No Limit Soldiers and fought with The West Texas Rednecks . After Master P left WCW , Konnan formed a stable known as The Filthy Animals . He and Mysterio , representing the Filthy Animals , defeated Harlem Heat ( Booker T and Stevie Ray ) for the WCW World Tag Team Championship on October 18 , 1999 . They were scheduled to defend the titles against Harlem Heat in the MGM Grand Garden Arena on October 24 , 1999 at Halloween Havoc , but on the night of the event Mysterio was announced as being injured . The title was then contested in a three way tag match pitting Konnan and Billy Kidman , representing the Filthy Animals , against Harlem Heat and the First Family ( Hugh Morrus and Brian Knobs ) . Harlem Heat regained the title after Stevie Ray pinned Morrus . Konnan and Kidman defeated Harlem Heat for the title the next night on Nitro , but lost to Creative Control ( Patrick and Gerald ) on November 22 , 1999 .

Konnan was inactive throughout early 2000 , as he was suspended for three months by Bill Busch after requesting his release from WCW , unhappy with the way he was being used . Shortly after returning from suspension and reforming the Filthy Animals , Konnan was sidelined once again , this time with a legitimately torn triceps muscle , damaged when Van Hammer threw Juventud Guerrera at him during a match and Guerrera 's elbow connected with Konnan 's upper arm as he attempted to catch him . Throughout 2000 , the Filthy Animals feuded with other stables , including The Misfits In Action , The Natural Born Thrillers and Team Canada . At Greed on March 18 , 2001 , Lance Storm and Mike Awesome ( representing Team Canada ) defeated Hugh Morrus and Konnan in one of his last appearances with the promotion before it was sold to the WWF in March 2001 .

Following the sale of WCW , Konnan toured Australia and Europe throughout 2001 with the newly formed World Wrestling All @-@ Stars promotion . Konnan would also compete in Xtreme Pro Wrestling ( XPW ) where he led a group of luchadores including Halloween , Psicosis , and Juventud Guerrera through 2001 into 2002 . In addition to wrestling , Konnan acted as a color commentator . He also studied criminology during a period in which he briefly considered working alongside his father as a private investigator .

= = = World Wrestling Council = = =

Konnan worked in Puerto Rico 's World Wrestling Council as a friend of the Colón Family until he turned heel during an angle that turned in to a very intense situation in Humacao , Puerto Rico when Konnan came to the ring with some Mariachis to play a Serenata for Stacy Colón Carlos Colon 's daughter . Moments later Konnan blasted Stacy Colón with a guitar on top of her head and attacked Carlos Colón as well . The entire face locker room including brothers Carly and Eddie Colón came to their sister 's rescue . That incident started a riot with the fans inside and outside the arena . Konnan had to be escorted by police out of the arena .

= = = Total Nonstop Action Wrestling ( 2002 @-@ 2007 ) = = =

Konnan appeared on the inaugural Total Nonstop Action Wrestling ( TNA ) pay @-@ per @-@ view

on June 19 , 2002 in the Von Braun Center in Huntsville , Alabama . He entered the Gauntlet for the Gold match for the vacant NWA World Heavyweight Championship , but he was chokeslammed and subsequently eliminated by Malice . He returned to TNA on February 12 , 2003 and formed a villainous alliance , the Authentic Luchadores , with fellow Hispanic wrestlers Juventud Guerrera , Super Crazy and the Spanish Announce Team . The stable feuded with Jerry Lynn until April 2 , 2003 , when Lynn claimed that he had been heavily influenced by lucha libre and that he respected his Mexican opponents , thus earning the friendship of Konnan .

== = The 3Live Kru ( 2003 ? 2005 ) = = =

In May and June 2003 , Konnan began teaming with B.G. James and Ron Killings , and in July 2003 the trio formed a heroic alliance known as the 3Live Kru . The Kru first wrestled as a unit on August 13 , 2003 , defeating The New Church ( Sinn , Vampire Warrior and Tempest ) . On November 26 , the Kru defeated Simon Diamond , Johnny Swinger and Glenn Gilberti in a six @-@ man tag team match with the vacant NWA World Tag Team Championships on the line . The championship was held by all three members of the Kru , until January 28 , 2004 , when they were defeated by Kevin Northcutt and Legend in Nashville . After several abortive attempts to regain the tag title , the Kru began supporting Ron Killings 's bid to become NWA World Heavyweight Champion . The Kru later feuded with Jarrett 's mercenaries , The Elite Guard ( Chad Collyer , Hotstuff Hernandez and Onyx ) . On July 14 , 2004 , the 3Live Kru , Dusty Rhodes and Larry Zbyszko defeated Jarrett , Ken Shamrock and the Elite Guard in a ten @-@ man tag team match . The Kru began feuding with Team Canada in August 2004 , and at the inaugural three @-@ hour TNA pay @-@ per @-@ view , Victory Road on November 7 , 2004 , Konnan and James defeated Team Canada members Bobby Roode and " Showtime " Eric Young for the NWA World Tag Team Championship . Their reign lasted one month , with Team Canada regaining the title on December 5 , 2004 at Turning Point with the help of the injured Johnny Devine .

Throughout early @-@ 2005 , the Kru feuded with Michael Shane and Kazarian , Team Canada and The Naturals . Dissension arose after James 's former tag team partner from the WWF , Billy Gunn , joined TNA as " The New Age Outlaw " and began trying to convince James to reform their highly successful tag team , the New Age Outlaws . Konnan and Killings feuded with The Outlaw and " The Alpha Male " Monty Brown , with James 's loyalties divided . Brown and The Outlaw , who had by now renamed himself " Kip James " , defeated Konnan and Killings at No Surrender on July 17 , 2005 , with James declining to help either team . Konnan and Killings became increasingly frustrated , at one point referring to themselves as the " 2Live Kru " . The two teams faced one another in a No Surrender rematch on August 14 , 2005 at Sacrifice , with James appointed guest referee by Director of Authority Larry Zbyszko , and James reaffirmed his loyalty to the Kru by attacking Kip , enabling Konnan to pin him and win the match . The Kru , apparently undivided , celebrated together following the match .

Over the following weeks , Kip James began assisting the 3Live Kru , and on October 23 , 2005 at Bound for Glory , he saved Konnan from a beating at the hands of Team Canada . On the November 26 episode of Impact ! , B.G. James brought Kip James and the 3Live Kru to ringside , then asked Killings and Konnan whether James could join the stable . Following a heated argument between the still skeptical Konnan and B.G. , both Killings and Konnan gave their assent , and the " ' 4Live Kru " was born . At Turning Point the 4Live Kru faced Team Canada in an eight @-@ man tag match . In the course of the match , Konnan attacked both B.G. and Kip James .

== = The Latin American Xchange ( 2005 ? 2007 ) = = =

On the December 31 , 2005 , episode of Impact ! , Konnan told B.G. ' s father , Bob Armstrong , that he was a " hothead " and invited Armstrong to accompany him backstage for an apology . Instead of apologizing , Konnan turned heel by leading Armstrong into an ambush at the hands of Apolo and the debuting Homicide . The trio , later identified as The Latin American Xchange ( LAX ) , then instructed an unconscious Armstrong to tell B.G. and Kip to " take care of their own business "

. At Final Resolution on January 15 , 2006 , Konnan and Homicide defeated The Naturals . After Apolo was released by TNA , he was replaced by Machete , who was in turn evicted from LAX by Konnan and Homicide . In subsequent weeks , Konnan began feuding with Bob Armstrong . On the April 8 , 2006 episode of Impact ! , Konnan faced Armstrong in a " Arm Wrestling Challenge " ; the contest ended in a no @-@ contest after LAX member Hernandez attacked Armstrong . At Lockdown on April 23 , 2006 , Konnan was defeated by Armstrong in an arm wrestling contest held within the confines of a steel cage ; following the bout , each member of the LAX received ten lashes from the James Gang .

In May 2006 , Konnan became the Impact ! Spanish color commentator . In the same month , he and the LAX began a storyline that saw them refuse to wrestle ( as well as himself and Moody Jack refusing to commentate ) , claiming that Latinos were discriminated against within TNA . After LAX were forced to resume wrestling by Jim Cornette , they began feuding with A.J. Styles and Christopher Daniels , with whom Homicide and Hernandez traded the NWA World Tag Team Championship back and forth . LAX then feuded with America 's Most Wanted and Team 3D , losing the NWA World Tag Team Championship to Team 3D at Lockdown .

In early 2007 , Konnan underwent hip replacement surgery , and his appearances in TNA from then on saw him frequently using a wheelchair . In June , Konnan left TNA for AAA in Mexico . He successfully underwent kidney transplant surgery in July 2007 . In March 2008 , Konnan sued TNA for racism and discrimination , alleging that while the company said that they would help pay for his hip replacement surgery , they did not . To add leverage to the suit , Konnan claimed that TNA helped pay for Scott Steiner 's operation , but did not pay for Ron Killings 's surgery from around the same time .

= = = Return to AAA ( 2004 ? 2016 ) = = =

After leaving TNA , Konnan later returned to Asistencia Asesoría y Administración , where Juventud Guerrera claimed in 2009 that Konnan is the " real boss " of the promotion . In AAA he is the leader of the company 's top rudo stable La Legión Extranjera ( Foreign Legion ) . Konnan remained in the role until February 3 , 2013 , when he was in storyline fired from the promotion . He returned to the promotion on April 15 , announcing that he was once again becoming an in @-@ ring performer . In February 2016 , Konnan stated that he had lost his creative position in AAA and was now merely a consultant for the promotion .

On March 20 , 2015 , Konnan was ringside at a show organized by the independent promotion , The Crash , in Tijuana , Mexico , when fellow wrestler El Hijo del Perro Aguayo died in a freak accident .

= = = Lucha Underground ( 2014 ? 2015 ) = = =

In August 2014 , Konnan was announced as one of the AAA wrestlers to star in the El Rey network 's new television series Lucha Underground . In the premiere episode , he appeared as the manager of Prince Puma ; subsequently , he announced his responsibility for bringing Fénix , Pentagón Jr. and Drago into the promotion .
