She returned on the February 12 episode of Impact ! in a Knockouts gauntlet match , and was one of the finalists , but was eliminated by Sojo Bolt . The following week , she began her first storyline by slapping and walking out on her tag team partner Taylor Wilde in a match against The Beautiful People (Angelina Love and Velvet Sky) , and her character became villainous in the process . On the March 5 episode of Impact ! , Rayne aligned herself with The Beautiful People after assisting them in winning

a four @-@ way tag team match . At Destination X in March , Rayne made her pay @-@ per @-@ view debut , teaming with Love and Sky against The Governor , Taylor Wilde and Roxxi in a losing effort .

Rayne 's hazing continued after The Beautiful People won an Impact ! tag team match against Awesome Kong and Raisha Saeed , after which Rayne tried to cut the braided hair of the TNA Knockouts Champion Kong . With Sky in her corner , Angelina Love faced Kong and perennial nemesis Taylor Wilde in a three @-@ way cage match for the Knockout Championship at Lockdown , which Love would win . The following week on Impact ! , Mi Pi Sexy had a celebration with male dancers and named Rayne an official member of the Beautiful People . However , the celebration was cut short by Kong . Kong continued her attack on Mi Pi Sexy and proved her dominance by making her way through Rayne , Sky and Cute Kip , who Love brought back to stop her , in stretcher matches on the following weeks of Impact ! .

At Hard Justice in August , Rayne cost Love her Knockouts Championship when her interference in the match backfired . On the following episode of Impact ! , Rayne was scheduled to face Love in a match , but before it started , Love attacked her from behind . After Love had pinned Rayne , Sky showed up holding a brown paper bag and put it on Rayne 's head to humiliate her . Rayne was then saved by Tara and Christy Hemme . On the September 10 episode of Impact ! , Rayne and partner Roxxi lost to The Beautiful People in a match that was part of a tournament to crown the inaugural Knockouts Tag Team Champions .

The following week , Rayne , after helping Love and Sky advance to the finals of the tournament , was welcomed back into The Beautiful People . At No Surrender , Rayne replaced Love , who had been released from her contract due to work visa issues prior to the event , and teamed up with Sky in the tournament finals , where they were defeated by the team of Sarita and Taylor Wilde .

On the October 1 episode of Impact ! , The Beautiful People apologized to the TNA fans and Knockouts for their behavior , blaming their past actions on Love . They invited the Knockouts Tag Team Champions , Taylor Wilde and Sarita , down to the ring to prove their apology was genuine , and expressed their desire for a competitive match at Bound for Glory . The Beautiful People shook their hands , but then attacked them . As they began to lose the advantage in the assault , the debuting Lacey Von Erich took out Wilde and Sarita . The three then posed in the ring , welcoming Von Erich into The Beautiful People . Rayne gained her first victory in TNA on the October 8 episode of Impact ! by scoring the deciding fall in an eight @-@ Knockout elimination match where she , Sky , Alissa Flash and Traci Brooks defeated Sarita , Taylor Wilde , Hamada and Christy Hemme after the interference from Von Erich .

The three then won their first match as a team , defeating ODB , Tara and Awesome Kong , but was unsuccessful in their Knockout 's Tag Team title rematch at Bound For Glory . On the October 22 episode of Impact ! , The Beautiful People began appearing in backstage segments they dubbed as their reality show " The Meanest Girls " , an allusion to the 2004 teen comedy Mean Girls .

In the pilot episode , The Beautiful People attacked Taylor Wilde and Sarita , and engaged in a food fight , with The Beautiful People coming out on top . In the sequel , which aired on the November 5 episode of Impact ! , the Beautiful People attacked ODB , setting up a six @-@ Knockout tag team match at Turning Point , for both the Knockouts Championship and the Knockouts Tag Team Championship . At the pay @-@ per @-@ view , the Beautiful People were unsuccessful , as ODB pinned Rayne to win the match for the reigning champions . Around this time , the Beautiful People began using a weapon dubbed Lacey 's Ugly Stick , a pink baton .

Angelina Love returned to the company on the January 14 , 2010 episode of Impact ! , but instead of re @-@ joining The Beautiful People , she attacked them . Several weeks later on March 8 , Rayne and Velvet Sky defeated the teams of Love and Tara , and Sarita and Taylor Wilde in a three @-@ way match to win the vacant Knockouts Tag Team Championship . Under the Freebird Rule , all three members of The Beautiful People were considered champions , and any combination of two members were permitted to defend the title . At Lockdown in April , Rayne and Sky partnered against Tara and Angelina Love in a tag team cage match , during which Rayne pinned Tara to win Love 's Knockouts Championship . With the win , she became the first person to hold both the Knockout Championship and the Knockouts Tag Team Championship simultaneously . The

following month at Sacrifice , Rayne defeated Tara in a Title vs. Career match , causing Tara to retire from TNA and ending the storyline rivalry between Tara and The Beautiful People . At Slammiversary VIII Rayne retained her title against Roxxi in another Title vs. Career match .

=== Championship reigns (2010 ? 11) ===

On July 11 at the Victory Road pay @-@ per @-@ view , Rayne lost the Knockouts Championship to Angelina Love in another Title vs. Career match by disqualification due to outside interference from a person incognito in a motorcycle helmet . Prior to the match , it was announced that the title would change hands by disqualification , if either Velvet Sky or Lacey Von Erich interfered in the match . However , the title was returned to Rayne on the July 22 episode of Impact ! , when it was declared that there was no proof that the person who had interfered in the match was either Sky or Von Erich , making Rayne a two @-@ time Knockouts Champion .

After weeks of arguing amongst each other over Rayne 's attitude , the Beautiful People agreed to a truce on the July 29 episode of Impact ! . However , on the following episode of Impact ! , Rayne and the mystery woman inadvertently cost Sky and Von Erich the Knockouts Tag Team Championship in a match against Hamada and Taylor Wilde , when their interference backfired . The following week , Rayne lost the Knockouts Championship to Angelina Love , after a distraction caused by Velvet Sky attacking the mystery woman . Rayne received her rematch for the title on the following week 's episode of Impact ! , but was again defeated by Love , after an interference from Velvet Sky . After the match Rayne and the mystery woman beat down Love and Sky . Rayne 's mysterious ally was finally unmasked and revealed as Tara on the September 2 episode of Impact ! , when the two of them defeated the Beautiful People in a tag team match . At the No Surrender pay @-@ per @-@ view , Rayne was defeated by Velvet Sky in a singles match . On the September 16 episode of Impact ! , Rayne and Tara turned on Lacey Von Erich , after she and Rayne failed to regain the Knockouts Tag Team Championship from Hamada and Taylor Wilde . On the September 30 episode of Impact ! , Rayne signed a waiver to allow Tara to return to the ring , after losing a Title vs. Career match , which was supposed to end her TNA career .

Rayne attempted to regain the Knockout Championship in a four corners match with Love , Sky and Tara on October 10 at the Bound for Glory pay @-@ per @-@ view , but was unsuccessful , when Tara pinned Sky to win the title . Afterwards , Rayne , claiming to now be done with James , announced the beginning of an open challenge series intended to find her new opponents , and , as part of it , successfully defended the Knockout Championship against former Knockouts ODB , Roxxi and Alissa Flash . However , during the storyling , Tara began claiming that Rayne had gone too far in her brutality towards James , but was forced to follow her orders due to being under exclusive contract with Rayne and not with TNA . After Rayne lost her title to James at Lockdown , ending her reign at 188 days , James agreed to give her a rematch for it on the condition that if she is unable to regain the title , Tara would be released from her contract with Rayne . On May 15 at Sacrifice , Tara turned on Rayne during her match with James , costing her the Knockout Championship and guaranteeing herself a release from her contract with Rayne . Rayne attacked Tara on the June 9 episode of Impact Wrestling , costing her and Mickie James their tag team match against Angelina Love and Winter .
