

= New York State Route 375 =

New York State Route 375 (NY 375) , locally known as West Hurley Road for its entire length , is a short highway in the Catskill Park located entirely within Ulster County , New York , in the United States . It primarily allows for more direct access from nearby Kingston to Woodstock . It runs north ? south from NY 28 at West Hurley to near the business district of Woodstock , where it terminates at another state highway , NY 212 . The route was designated in the 1930 renumbering in New York , replacing a piece of legislative Route 5 from 1908 and has remained unchanged since .

= = Route description = =

NY 375 begins at an intersection with NY 28 (the Onteora Trail) in the community of West Hurley . The route progresses northward through a densely populated area , passing residential homes and commercial buildings . The highway at the intersection with Pine Street , passing a local sports field , and leaving West Hurley for the rural parts of the Catskill Park . The route continues to wind , and after a distance , intersects the eastern terminus of Maverick Road (County Route 43) . The route continues northward , passing the Woodstock Golf Club before entering the hamlet of Zena , where NY 375 ends at an intersection with NY 212 (Mill Hall Road) just outside Woodstock .

= = History = =

The north ? south highway linking West Hurley to Woodstock was originally designated as part of Route 5 , an unsigned legislative route , by the New York State Legislature in 1908 . Route 5 continued east of West Hurley on modern NY 28 and west of Woodstock on what is now NY 212 . The section of Route 5 between West Hurley and Woodstock was designated as the signed NY 375 as part of the 1930 renumbering of state highways in New York .

In 2013 , NY 375 was officially designated Levon Helm Memorial Boulevard in memory of the late Mark Lavon " Levon " Helm , a local resident best known for his work as drummer and vocalist for The Band .
