In March 1995 , American Tejano music singer Selena was shot and killed by Yolanda Saldívar , her friend and former manager of the singer 's boutiques . The impact of the singer 's death had a negative impact on Latin music , her genre ? which she catapulted it into the mainstream market ? suffered and its popularity waned following Selena 's death . She continued to be the last remaining Tejano recording artist to appear on the United States Billboard 200 chart since 2000 . In the fall of 2011 , Chilean record producer Humberto Gatica and Capitol Latin senior vice president Sergio Lopes had the idea of turning Selena 's songs into duets in popular music genres . Mexican singers Cristian Castro , Samo , American singers Don Omar , Carlos Santana , Selena Gomez (who was named after Selena) , and Spanish singer Juan Magan lent their voices for the duet / remix style album . The project ? named Enamorada de Ti ? was released in April 2012 and debuted and peaked at number one on the U.S. Top Latin Albums and Latin Pop Albums chart . Lo Mejor de ... Selena followed the commercial success of Enamorada de Ti , released on the twentieth anniversary of Selena 's death . It was also made available for digital download and released as a double disc .
