

= Touch Me Like That =

" Touch Me Like That " is a dance @-@ pop song performed by Dannii Minogue and Jason Nevins . The song was written by Jason Nevins , Lisa Molina , Sylvester James and James Wirrick . It samples the melody of the disco song " You Make Me Feel (Mighty Real) " , originally performed by Sylvester . The song is the sixth and final single from Minogue 's fifth album Club Disco (2007) .

It was released as a single on 3 December 2007 in the United Kingdom to mixed reviews from music critics . The song was released in Minogue 's native Australia on 19 January 2008 , but was not eligible to chart in Australia because its CD single contained too many remixes by other artists . It entered the top fifty in the UK and became Minogue 's thirteenth Upfront Club Chart number one . The song 's music video , directed by Andy Soup , was filmed in London , England , and features Minogue in a multi @-@ coloured studio surrounded by a starry background and four dancers .

= = Background and reception = =

" Touch Me Like That " was written by record producer Jason Nevins and singer / songwriter Lisa Molina . It samples the melody of the disco song " You Make Me Feel (Mighty Real) " originally performed and co @-@ written by Sylvester James and James Wirrick . Minogue was offered to provide vocals for the song by Nevins ' agent Matt Waterhouse , who was a close friend of Minogue 's . Minogue recorded her vocals in London , England , after Nevins had sent her an instrumental version of the song to her e @-@ mail inbox . Nevins produced and programmed the song from his home in New York City .

Minogue has cited " You Make Me Feel (Mighty Real) " as one of her favourite disco songs and compared recording " Touch Me Like That " to the " best chocolate cake you ever ate " . Nevins had previously remixed Minogue 's song " Put the Needle on It " in 2002 , but the two had not previously met . He enjoyed working with Minogue and described working with her as " great " . " Touch Me Like That " premiered on The Chris Moyles Show in United Kingdom on 3 October 2007 .

In a review for Digital Spy , Nick Levine described the song as a " sticky , sweaty club banger " that will guarantee that " Team Minogue ? s winning streak continues " . Channel 4 wrote that the song was a " quaintly dated electro disco workout " and rated it five out of ten stars . Alex Needham of The Guardian was not impressed with the track , describing it as " dodgy hi @-@ NRG so low rent it makes Rhydian look like Lou Reed - and not in a good way , either " .

= = Chart performance = =

" Touch Me Like That " was officially released in the United Kingdom and Ireland as a digital download on 3 December 2007 . The song debuted on the UK Singles Chart on 11 December 2007 at number forty @-@ eight . The track became Minogue 's thirteenth Upfront Club Chart number one in the UK . In Ireland , the track reached number two on the Dance Chart. In Scotland the song debuted and peaked at 18 and stayed in the chart for 6 weeks

In Australia , " Touch Me Like That " was released on 19 January 2008 . The CD single , which featured thirteen tracks , was not eligible to chart because it contained too many remixes by other artists .

= = Music video = =

The music video for " Touch Me Like That " was directed by Andy Soup and filmed in London , England . It features Minogue in a multi @-@ coloured studio surrounded by a starry background and four dancers . The video begins with Jason Nevins spinning the song on his turntable , with a starry background behind him . Minogue , wearing a short white dress and a curly hairdo , is then shown in a room of mirrors and on a suspended dance floor . The final sequence of the video features Minogue in a red dress , surrounded by a spinning cage in a digital room . As the video concludes , all of the scenes are intercut and gradually fade .

Minogue was responsible for finding the song 's video director and for its concept . Nevins had only two days to film the video because he was busy working on music for the Grammy Awards . The video shoot marked the first time Minogue and Nevins had met in person , as previous communication had been through record label representatives and e @-@ mail .
