

= M @-@ 110 (Michigan highway) =

M @-@ 110 was the designation of a former state trunkline highway in the US state of Michigan . The highway was a 1 @. @ 715 @-@ mile @-@ long (2 @. @ 760 km) spur that provided access from US Highway 31 (US 31) to Orchard Beach State Park . The highway was designated in 1927 and lasted until 2003 .

= = Route description = =

The southern terminus of M @-@ 110 was at a junction with US 31 near Parkdale on the northern boundary of the city of Manistee . From there , the trunkline traveled north along Lake Shore Road near Lake Michigan . Along the way , the highway passed through the unincorporated community of Parkdale . The landscape contains fields as the roadway approaches the forest at Orchard Beach State Park . M @-@ 110 continues past the park and terminated at an intersection with Kott Road .

= = History = =

A highway was first designated along Lakeshore Road in 1927 bearing the M @-@ 110 designation . In 2003 , the Michigan Department of Transportation (MDOT) transferred M @-@ 110 to the Manistee County Road Commission . In the last traffic surveys before the transfer , MDOT determined that an average of 2 @, @ 335 vehicles used M @-@ 110 on a daily basis in 2002 .

= = Major intersections = =

The entire highway was in Manistee Township , Manistee County .
