MS 311 was designated onto its current alignment in 1957 , and was fully paved from a gravel road by the 1960s .

= = Route description = =

MS 311 begins at an intersection with MS 7 in the northern part of Holly Springs , heading northwest on two @-@ lane undivided Mount Pleasant Road . The route passes through wooded areas with some homes and businesses as it comes to an intersection with the Holly Springs Bypass and makes a left turn to continue to the northwest and leaves the city . Upon leaving Holly Springs , the road continues through forested areas with some farm fields and residences . Farther north , the highway reaches the community of Mount Pleasant . MS 311 passes a few homes and businesses within Mount Pleasant before reaching its northern terminus at the US 72 intersection . At this point , the road continues north as Rossville Road . MS 311 is legally defined in Mississippi Code § 65 @-@ 3 @-@ 3 .

= = History = =

MS 311 was designated in 1957 for a gravel road connecting Holly Springs to Mt . Pleasant . By 1960 , the route was paved except for a small portion halfway between Holly Springs and Mt . Pleasant . In 1965 , the remaining portion of MS 311 was paved .
