Before gaining prominence in WWE , Hardy performed for the Organization of Modern Extreme Grappling Arts (OMEGA) , a promotion he ran with his brother Matt . With the addition of Lita , the team became known as Team Xtreme and continued to rise in popularity . As a tag team wrestler , Hardy is an eight @-@ time world tag team champion (six World Tag Team Championships , one WCW Tag Team Championship , and one TNA World Tag Team Championship) ? all with his brother Matt .

Jeff Hardy is the son of Gilbert and Ruby Moore Hardy , and the younger brother of Matt Hardy . Their mother died of brain cancer in 1986 , when Hardy was nine . He developed an interest in motocross aged 12 and got his first bike , a Yamaha YZ @-@ 80 , at age 13 . He had his first race when he was in ninth grade . Hardy played baseball as a child , but had to stop after he crashed during a motocross race , injuring his arm . He also played football during high school as a fullback and linebacker . He briefly competed in amateur wrestling in high school . Hardy 's favorite subjects in school were U.S. history and art , which he did for extra credit .

Hardy , along with his brother Matt and friends , started their own federation , the Trampoline Wrestling Federation (TWF) and mimicked the moves they saw on television . Later on , the TWF went under several different names , eventually being integrated into a county fair in North Carolina . The brothers and their friends then began to work for other independent companies . They drove all over the East Coast of the United States , working for companies such as ACW and other small promotions .

Hardy cites Sting , The Ultimate Warrior , and Shawn Michaels as his childhood inspirations to wrestle . He started on World Wrestling Federation (WWF) television as a jobber ? a wrestler who

consistently loses to make his opponents look stronger . His first WWF match was against Razor Ramon on May 23 , 1994 in Youngstown , Ohio , with Randy Savage mentioning on commentary , " Welcome to the big time " . His ringname that night , Keith Davis , was the name of Razor 's scheduled jobber , who backed out on short notice . Gary Sabaugh , who had brought Hardy in a group along with Davis , suggested him to agent Tony Garea , who agreed after Hardy claimed he was 18 (he was in fact , only 16) . The next day , he wrestled under his real name against The 1 @-@ 2 @-@ 3 Kid , and the match aired on the June 25 episode of Superstars . He occasionally wrestled as a jobber as late as 1997 (including a match against Rob Van Dam during the ECW " invasion " storyline that had Hardy billed as being from Virginia instead of Cameron , North Carolina) before beginning his first major run in 1998 .

= = = OMEGA Championship Wrestling (1997 ? 1998) = = =

Before arriving in the WWF , Matt formed his own wrestling promotion , the Organization of Modern Extreme Grappling Arts (OMEGA) with Thomas Simpson . The promotion was a more successful version of the original TWF and included talent such as both Hardy brothers , Shannon Moore , Gregory Helms , Joey Matthews , and Steve Corino , among others . In OMEGA , each of the brothers portrayed several different characters ; Hardy portrayed such characters as Willow the Wisp , Iceman , Mean Jimmy Jack Tomkins , and The Masked Mountain . While there , Hardy held the New Frontier Championship as a singles competitor and the Tag Team Championship with Matt . The promotion folded in April 1998 when they signed contracts with the WWF .

The Hardy brothers eventually caught the eyes of the World Wrestling Federation (WWF) . After being signed to a contract in 1998 , they were trained by Dory Funk Jr. in his Funkin ' Dojo with other notable wrestlers such as Kurt Angle , Christian , Test , and A @-@ Train . When the team was finally brought up to WWF television , after months of " jobbing " and live events , they formed the acrobatic tag team called the Hardy Boyz . While feuding with The Brood in mid @-@ 1999 , they added Michael Hayes as their manager . On July 5 , they won their first WWF Tag Team Championship by defeating the Acolytes , but lost it back to them a month later . After the dissolution of the Brood , the Hardys joined forces with Gangrel as The New Brood and feuded with Edge and Christian . This stable did not last long , however , and on October 17 , 1999 at No Mercy , the Hardy Boyz won the managerial services of Terri Runnels in the finals of the Terri Invitational Tournament in the WWF 's first ever tag team ladder match against Edge and Christian . They competed in the first two TLC (Tables , Ladders and Chairs) matches ever , both against Edge and Christian and The Dudley Boyz .

In 2000 , the Hardy Boyz found a new manager in their real @-@ life friend Lita . Together , the three became known as " Team Xtreme " . They continued their feud with Edge and Christian throughout 2000 , defeating them for the WWF Tag Team Championship on two occasions . At SummerSlam , the Hardy Boyz competed in the first ever Tables , Ladders , and Chairs match (TLC match) , for the Tag Team Championship against the Dudley Boyz and Edge and Christian , but were unsuccessful .

Hardy gained attention for his high risk stunts in the TLC matches , making a name for himself as one of the most seemingly reckless and unorthodox WWF performers of his time . In 2001 , Hardy received a push as a singles competitor , and he held the Intercontinental (defeating Triple H) , Light Heavyweight (defeating Jerry Lynn) and Hardcore Championships (defeating Mike Awesome and Van Dam on two separate occasions) . At the end of 2001 , the Hardys began a storyline in which they began to fight , which led to Matt demanding a match at Vengeance , with Lita as the special guest referee . After Jeff Hardy beat Matt by pinfall at Vengeance , while Matt 's foot was on

the ropes , Hardy and Lita began feuding against Matt . In the middle of the feud , however , Hardy faced The Undertaker in a Hardcore Championship match and lost . After the match , The Undertaker was scripted to attack both Hardy and Lita , injuring them . On the next episode of SmackDown ! , The Undertaker attacked Matt as well , also injuring him , in storyline . The Hardys and Lita were not seen again until the Royal Rumble , because WWE did not have another storyline for their characters . The Hardys later came back as a team , and there was never any mention of their previous storyline split .

In early April 2002 , the Hardy Boyz began a feud with Brock Lesnar after Lesnar gave Matt an F @-@ 5 on the steel entrance ramp , which led to an angered Hardy seeking revenge on Lesnar . At Backlash , Hardy faced @-@ off against Lesnar in Lesnar 's first televised match . Lesnar dominated Hardy and won the match by knockout . Lesnar and the Hardys continued to feud over the next few weeks , with the Hardys coming out victorious only once by disqualification . At Judgment Day , Lesnar gained the upper hand on the Hardy Boyz before tagging his partner , Paul Heyman , in to claim the win for the team . In July 2002 , Hardy won his third Hardcore Championship by defeating Bradshaw .

= = = Singles competition and departure (2002 ? 2003) = = =

After years in the tag team division , Hardy took on The Undertaker in a ladder match for the Undisputed WWE Championship . Hardy came up short in the intense match , but earned The Undertaker 's respect when he displayed courage by attempting to rise to his feet after the bout and challenge The Undertaker to continue . Hardy competed for singles titles on several occasions and defeated William Regal for the European Championship . Hardy was defeated a few weeks later by Rob Van Dam in a ladder match to unify the European Championship and the Intercontinental Championship , and the European Championship was retired . Finally , the Hardy Boyz split apart , as Hardy continued to pursue his singles ambitions on Raw and his brother , Matt left Raw for his own singles pursuits signing with Stephanie McMahon 's SmackDown ! brand . On Raw , Hardy would compete in WWE 's Hardcore division until the title 's unification with the Intercontinental Championship .

In late 2002 , Hardy had been teaming with Rob Van Dam and Bubba Ray Dudley . He along with Bubba Ray and Spike Dudley defeated 3 @-@ Minute Warning at Survivor Series in a six @-@ man tag team elimination tables match .

In January 2003 , Hardy briefly turned into a heel (villain) after he attacked Van Dam and Shawn Michaels . It ended a month later when he saved Stacy Keibler from an attack by then @-@ villain , Christian . In February , he had a brief program with Michaels , which saw the two team up . Then , in storyline , Hardy began dating Trish Stratus after saving her from Steven Richards and Victoria in March . Hardy and Stratus had a brief on @-@ screen relationship that saw the duo talking backstage and teaming together in matches . Hardy competed in his final match (his first departure) against The Rock and lost . Hardy , however , was released from WWE on April 22 , 2003 . The reasons given for the release were Hardy 's erratic behavior , drug use , refusal to go to rehab , deteriorating ring performance , as well as constant tardiness and no @-@ showing events . Hardy also cites " burn out " and the need for time off as reasons for leaving WWE .

= = = Independent circuit (2003) = = =

Hardy made his first wrestling appearance after being released from WWE at an OMEGA show , on May 24 . Using his old gimmick , " Willow the Wisp " , Hardy challenged Krazy K for the OMEGA Cruiserweight Championship , but lost the match .

= = = Ring of Honor (2003) = = =

Hardy performed with the Ring of Honor (ROH) promotion on one occasion . Hardy appeared at ROH 's 2003 show , Death Before Dishonor , under his " Willow the Wisp " gimmick , wearing a

mask and trench coat . Hardy was quickly unmasked and lost his jacket , wearing attire similar to that he wore in WWE . Hardy was booed and heckled before , during , and after the match by the ROH audience , who chanted " We want Matt ! " and " You got fired ! " during his match with Joey Matthews and Krazy K , which Hardy won . Hardy then took a whole year off of wrestling to concentrate on motocross and finish his motocross track .

= = = Total Nonstop Action Wrestling (2004 ? 2006) = = =

Hardy debuted in Total Nonstop Action Wrestling (TNA) on June 23 , 2004 , at the Second Anniversary Show , in a match against A.J. Styles , for the TNA X Division Championship . He also debuted his new entrance theme " Modest " , a song performed by Hardy himself , and a new nickname , " The Charismatic Enigma " . At Against All Odds in February 2005 , Hardy lost to Abyss in a " Full Metal Mayhem " match for the number one contendership to the NWA World Heavyweight Championship . Hardy returned the favor by defeating Abyss in a Falls Count Anywhere match at Destination X in March . On March 15 , 2005 , Hardy teamed with Shocker defeating David Young and Lex Lovett . Hardy then went on to feud with Raven , Hardy defeated Raven in a Six sides of steel match at Lockdown in April . Hardy was suspended from TNA after no @-@ showing his " Clockwork Orange House of Fun " rematch with Raven at Hard Justice on May 15 , allegedly due to travel difficulties . Hardy 's suspension was lifted on August 5 , and he returned at Sacrifice approximately a week later , attacking Jeff Jarrett .

He wrestled his first TNA match in four months at Unbreakable on September 11 , losing to Bobby Roode following interference from Jarrett . Throughout October 2005 , Hardy became embroiled in a feud with Abyss , Rhino and Sabu . The four way feud culminated in a Monster 's Ball match at Bound for Glory on October 23 , which Rhino won after delivering a second rope Rhino Driver to Hardy . In the course of the match , Hardy delivered a Swanton Bomb to Abyss from a height of approximately 22 ft 0 in (6 @.@ 71 m) . Later that night , Hardy competed in a ten @-@ man battle royal for the number one contendership to the NWA World Heavyweight Championship , which Rhino also won . At Genesis in November , Hardy lost to Monty Brown in another number one contender match .

Hardy was suspended as a result and did not appear on TNA television again . In March , April , and May 2006 , Hardy appeared on several live events promoted by TNA in conjunction with Dave Hebner and the United Wrestling Federation . On August 4 , 2006 , WWE announced that Hardy had re @-@ signed with the company . In the following weeks , vignettes aired hyping his return on the August 21 episode of Raw . On the day of his return , Hardy received a push and defeated then @-@ WWE Champion Edge by disqualification when Lita pulled Edge out of the ring . After failing to capture the Intercontinental

Championship from Johnny Nitro over the next few weeks , including at Unforgiven , Hardy finally defeated Nitro to win his second Intercontinental Championship on the October 2 episode of Raw . On the November 6 episode of Raw , Hardy lost the Intercontinental Championship back to Nitro , after Nitro hit him with the Intercontinental Championship title belt . One week later , Hardy regained it on the November 13 episode of Raw , with a crucifix pin . This marked Hardy 's third reign as Intercontinental Champion .

On the November 21 episode of ECW on Sci Fi , Hardy teamed with his brother , Matt , for the first time in almost five years to defeat The Full Blooded Italians . At Survivor Series , they both were a part of Team D @-@ Generation X , which gained the victory over Team Rated @-@ RKO with a clean sweep . The brothers then received their first opportunity since Hardy 's return to win a tag team championship at Armageddon . They competed in a four @-@ team ladder match for the WWE Tag Team Championship , but they came up short in their attempt . In the course of the match , however , they inadvertently legitimately injured Joey Mercury 's face .

In the midst of feuding with Umaga , who defeated Hardy at The Great American Bash to retain the Intercontinental Championship in late July , Hardy was abruptly taken off WWE programming . He posted on his own website and in the forums of TheHardyShow.com that it was time off to heal , stemming from a bad fall taken in a match against Mr. Kennedy on the July 23 episode of Raw . He made his return on the August 27 episode of Raw beating Kennedy by disqualification after Umaga interfered . The following week , on September 3 , Hardy successfully captured his fourth Intercontinental Championship by defeating Umaga for the title .

This was the start of a push for Hardy , and at Survivor Series , Hardy and Triple H were the last two standing to win the traditional elimination match . Hardy began an on and off tag team with Triple H , which eventually led to a respectful feud between the two . The rivalry continued at Armageddon , when Hardy defeated Triple H to become the number one contender for the WWE Championship . In the weeks leading up to the Royal Rumble , Hardy and Randy Orton engaged in a personal feud , which began when Orton kicked Hardy 's brother , Matt , in the head in the storyline . Hardy , in retaliation , performed a Swanton Bomb on Orton from the top of the Raw set and seemed to have all the momentum after coming out on top in their encounters . Hardy , however , lost the title match at the Royal Rumble , but was named as one of six men to compete in an Elimination Chamber match at No Way Out , where he survived to the final two before being eliminated by the eventual winner , Triple H.

During the March 3 episode of Raw , Hardy appeared on Chris Jericho 's " Highlight Reel " segment as a special guest , but ended up attacking Jericho . This led to an Intercontinental title match on the

Off @-@ screen , Hardy dropped the title after he was suspended for sixty days , as of March 11 , for his second violation of the company 's Substance Abuse and Drug Testing Policy . Hardy was also removed from the Money in the Bank ladder match at WrestleMania XXIV in which he was booked to win after the suspension was announced . Hardy returned on the May 12 episode of Raw , defeating Umaga . This reignited the rivalry between the two , and they met in a Falls Count Anywhere match at One Night Stand , which Hardy won .

On June 23 , 2008 , Hardy was drafted from the Raw brand to the SmackDown brand , as a part of the 2008 WWE draft . Hardy made his SmackDown debut on the July 4 episode , defeating John Morrison . Hardy participated in the WWE Championship Scramble match at Unforgiven and also challenged for the Championship at No Mercy and Cyber Sunday , but failed to win each time . At Armageddon in December 2008 , Hardy defeated the defending champion Edge and Triple H in a triple threat match to capture the WWE Championship , his first world championship .

In January 2009 , Hardy 's next storyline led to his involvement in scripted accidents , including a hit @-@ and @-@ run automobile accident and an accident involving his ring entrance pyrotechnics . At the 2009 Royal Rumble , Hardy lost his WWE Championship to Edge after Hardy 's brother , Matt , interfered on Edge 's behalf and hit Hardy with a steel chair . The buildup to this feud involved Matt implying that he was responsible for all of Hardy 's accidents over the past few months , and at WrestleMania XXV , Matt defeated Jeff in an Extreme Rules match . In a rematch at Backlash , however , Hardy defeated Matt in an " I Quit " match .
