The United States Code Congressional and Administrative News (U.S.C.C.A.N.) is a West Group publication that collects selected Congressional and administrative materials for publication in a single resource . U.S.C.C.A.N. was first published in 1941 with the 1st Session of the 77th Congress and has been published with every session of Congress since . U.S.C.C.A.N. is published in monthly pamphlets that contain a cumulative subject index and cumulative Table of Laws Enacted in addition to the selected documents . The pamphlets are then reissued in bound volumes after each session of Congress concludes . Among other documents , U.S.C.C.A.N. publishes the full text of new federal laws , selected committee reports from the House and Senate , signing statements , presidential proclamations , executive orders , reorganization plans , President 's messages , Federal Regulations , proposed constitutional amendments , Federal court rules , and sentencing guidelines all arranged in chronological order .

When published in bound volumes , the legislative history documents are placed in separate volumes apart from the rest of the materials published by U.S.C.C.A.N. Prior to the 99th Congress , the legislative history materials in U.S.C.C.A.N. contained only a House or Senate report . Since the 99th Congress (1985 ? 87) , the legislative history materials in U.S.C.C.A.N. have included the House or Senate report , the committee report , and any presidential signing statements . U.S.C.C.A.N. is considered a more readily accessible source for some of these materials , like committee reports , than the originals . As a result , it is recommended by the Bluebook as a citation source in addition to the original document .
