Seymour was trained by The Fabulous Moolah in 1975 right after she finished high school . She was originally from Florida , but because Moolah thought she looked a little bit Hawaiian , Schroeder was given the ring name Leilani Kai . Her fellow wrestlers also bestowed upon her the nickname " The Hawaiian Princess " during her early career . Four weeks after beginning her training , Moolah sent her on a two @-@ week tour of Alaska . Over the next few years she worked for promotions throughout the United States , including in Oklahoma , Minnesota , California , and New York . It was in 1979 in North Carolina , that Kai first began working with Judy Martin , who would be her future tag team partner .

On July 23 , 1984 , Wendi Richter defeated The Fabulous Moolah at MTV 's The Brawl to End it All for the WWF Women 's Championship , ending what was billed as the longest championship reign in professional wrestling history (Moolah 's 28 @-@ year reign , though in reality she had won and lost the title on numerous occasions and Richter actually ended a 7 @-@ year reign) . As a result , in early 1985 , Kai ? who had been trained by Moolah ? wrestled Richter and defeated her for the title at The War to Settle the Score , with Moolah in her corner and singer Cyndi Lauper in Richter 's corner . Richter , however , regained the title at the first @-@ ever WrestleMania one month later . These matches were part of the WWF 's " Rock ' n ' Wrestling Connection " , an era that combined both music and professional wrestling .

Kai was then paired with Judy Martin , and the duo won the WWF Women 's Tag Team Championship from the champions Velvet McIntyre and Desiree Petersen in Egypt in August 1985 , although this match 's existence has been disputed . Meanwhile , in August 1986 , Kai traveled to Japan where she won All Japan Women 's Pro @-@ Wrestling 's All Pacific Championship from Chigusa Nagayo , whom she also lost the title to in April 1987 .

In November 1987 , Kai and Martin became known as The Glamour Girls , and she underwent an image change that involved bleaching her dark hair platinum blonde at the suggestion of their manager Jimmy Hart . The duo appeared at the first Survivor Series in 1987 as part of then

champion Sherri Martel 's team to face the Fabulous Moolah 's team . Martel 's team ? Martel , the Glamour Girls , Dawn Marie , and Donna Christanello ? lost to The Fabulous Moolah 's team ? Moolah , Velvet McIntyre , Rockin ' Robin , and the Jumping Bomb Angels (Noriyo Tatenos and Itsuki Yamazaki) . Kai and Martin feuded in 1988 with Japanese imports the Jumping Bomb Angels for the Women 's Tag Team Championship . The two teams staged a two out of three falls match at the first Royal Rumble event in 1988 , with the Jumping Bomb Angels capturing the gold . Kai and Martin recaptured the title months later in June 1988 before the belts were once again abandoned in 1989 when the company lost interest in the women 's division .

The Glamour Girls then surfaced in the newly formed Ladies Professional Wrestling Association (LPWA) , managed by Adnan El Kassey . In February 1991 , they won the LPWA Tag Team Championship from the team of Misty Blue and Heidi Lee Morgan . Leilani Kai appeared on the November 10 , 1991 episode of WCW Main Event , losing to Madusa . They retained the Tag Team Championship against Malia Hosaka and Bambi at the only LPWA pay per view Superladies Showdown in 1992 . The title was abandoned when the promotion closed .

Kai traded the NWA Mid @-@ Atlantic Women 's Championship with Strawberry Fields in 2000 , holding the belt a total of three times . In the summer of 2002 , Kai challenged Lexie Fyfe for the Professional Girl Wrestling Association 's (PGWA) championship in Branson , Missouri and won the belt . In 2002 , however , Pippa L 'Vinn defeated her for the title .

On March 12 , 2003 , she defeated Madison to win the NWA World Women 's Championship in a dark match on a Total Nonstop Action Wrestling pay @-@ per @-@ view . She defended the belt at the NWA 55th Anniversary Show against AJ Sparx in October 2003 . She was later stripped of the title by NWA President Bill Behrens on June 19 , 2004 after Kai no @-@ showed several events .

After becoming less active in the ring , she also began training female wrestlers , including Amber O 'Neal . She also served as a trainer for the California @-@ based Women of Wrestling .

On September 5 , 2013 it was announced that Kai will debut at Pro Wrestling Syndicate Bombshells against Sumie Sakai on September 28 in Iselin , NJ .

On May 31 , 2014 Kai appeared on West Coast Wrestling Connection , slapping Kylie Sutton for allegedly implying that she was old . The following week , Kai was scheduled to face Sutton in a match .
