On February 23 , 2002 , Kendrick wrestled on the premiere show of Ring of Honor (ROH) , winning the match to gain an ROH contract . While in ROH , Kendrick competed in several other promotions such as Heartland Wrestling Association and All Pro Wrestling , before leaving for Japan in June to compete in Pro Wrestling Zero @-@ One (Zero1) . There , he wrestled under the ring name Leonardo Spanky , a gimmick proposed by Shinya Hashimoto due to Kendrick 's resemblance to Leonardo DiCaprio . On June 29 , he became the first NWA International Junior Heavyweight Champion in company history . He dropped the title to Low Ki a few months later .

= = = Return to WWE (2002 ? 2004) = = =

In late 2002 , Kendrick signed a contract with WWE but was unable to compete until he completed his time in the independent circuit . He made his WWE debut on the January 11 , 2003 edition of Velocity under the gimmick of a mascot representing the local sports team of the town in which he was competing . He continued wearing masks for several weeks , each time competing under a different identity . After acting as a telegram deliverer for Big Show to Undertaker , and getting a Last Ride for his troubles , he showed up the following week and began a series of events trying to impress the then General Manager of Smackdown ! Stephanie McMahon in order to earn a contract for the WWE . He eventually earned himself a contract on the March 20 , 2003 episode of Smackdown ! by defeating Shannon Moore . His first major storyline within WWE came on the May 1 , 2003 episode of SmackDown ! . He reverted to his former " Spanky " ring name after he interrupted a promo by John Cena . The two feuded over their similar hip hop gimmicks , until May 22 . On October 30 , Spanky began teaming with Paul London until January 13 , 2004 when Kendrick left WWE to return to Zero1 .

= = = Independent circuit (2004 ? 2005) = = =

After leaving WWE , Kendrick wrestled in different independent promotions . He returned to Zero1 as " Spanky " and was quickly pushed to capture the NWA International Lightweight Tag Team Championship . This occurred with partner Low Ki on February 19 , 2004 , when they defeated Dick Togo and Ikuto Hidaka . They lost the championship to Tatsuhito Takaiwa and Tomohiro Ishii a few months later . Kendrick gained a new tag team partner in Kaz Hayashi , on September 19 , 2004 , and won back the championships . They held onto the titles until March 2005 , when they dropped them to Hidaka and Minoru Fujita . Although he lost the tag titles in March , Kendrick , as Spanky , received a singles push , and won the Zero @-@ One United States Heavyweight Championship that same month. but he lost the title in September 2005 .

Kendrick also competed in the Trios Tournament , but lost in the first round with his team members , Gibson and Nigel McGuinness . He unsuccessfully competed for several titles such as the ROH Pure Championship , ROH World Championship and ROH World Tag Team Championship . = = = Teaming with Paul London (2005 ? 2008) = = =

In July 2005 , Kendrick announced that after he had fulfilled his obligations on the independent circuit , he would return to WWE . He made his return during a live event on August 22 , 2005 , losing in a Fatal Four @-@ Way match for the WWE Cruiserweight Championship . He then reformed a tag team with his former partner Paul London on the September 30 edition of Velocity . On December 16 , the pair remade their image , wearing theatrical masks to the ring with matching vests and shorts . They were quickly elevated into the WWE Tag Team Championship picture , receiving a non @-@ title match against WWE Tag Team Champions MNM on the February 10 , 2006 edition of SmackDown ! , which London and Kendrick lost . On April 7 , they faced MNM again , picking up a win in a non @-@ title match . Their storyline feud continued , as London and Kendrick continued their winning streak over the champions , including singles victories for both Kendrick and London on MNM members Johnny Nitro and Joey Mercury , respectively . London and Kendrick won the WWE Tag Team Title at Judgment Day , thus defeating MNM six times in a row in singles and tag team matches altogether .

Their first main competition for the titles came when K. C. James and Idol Stevens defeated the champions in a non @-@ title match , in early August , igniting a storyline feud between the two teams . During the rivalry , WWE Diva Ashley Massaro began accompanying London and Kendrick to the ring , acting as a valet to the team while combating the actions of James and Stevens ' manager Michelle McCool .

On October 14 , London and Kendrick became the longest reigning WWE Tag Team Champions of all time , surpassing MNM 's previous record of 145 days . Despite this , they were still booked as the underdogs in their feuds , and this was shown when they began a losing streak to the team of William Regal and Dave Taylor . Regal defeated both in singles matches and on the December 8 episode of SmackDown ! , Kendrick and London lost a non @-@ title tag team match to the duo , although Kendrick beat Taylor on the December 9 episode of Velocity . London and Kendrick had a scheduled title defense at Armageddon , against Regal and Taylor . Before the pay @-@ per @-@ view , the match changed into a Fatal Four Way tag team ladder match with London and Kendrick defending their titles against Regal and Taylor , MNM , and The Hardys . London and Kendrick won the match and retained the titles .

On February 2 , 2007 , London and Kendrick suffered a non @-@ title loss to the rookie team Deuce ' n Domino . In a title match at No Way Out , London and Kendrick retained the championship . London and Kendrick , however , dropped the championship to them on the April 20 edition of SmackDown ! , ending their reign at 331 days (SmackDown ! was recorded on April 17) . In the storyline , London missed a moonsault from the ring apron to the floor during the title match , injuring his ribs , leaving Kendrick to battle Deuce ' n Domino alone . London and Kendrick unsuccessfully competed for the title on June 1 in a triple threat tag team match , which also involved Regal and Taylor , and lost a rematch on June 15 in a standard tag team match .

Kendrick , along with London , was drafted to the Raw brand on June 17 , 2007 during the Supplemental Draft . They won their debut match on Raw against The World 's Greatest Tag Team

on June 18 . They were soon established as a threat to the tag titles , and on the September 3 edition of Raw , they won a number one contender 's match for Lance Cade and Trevor Murdoch 's World Tag Team Championship . Kendrick and London then worked a feud with Cade and Murdoch , and at a house show on September 5 , they defeated Cade and Murdoch to win the titles , only to lose it back to Cade and Murdoch three days later . London and Kendrick continued to feud with Cade and Murdoch and lost to the Tag Team champions at Unforgiven . For the rest of 2007 , London and Kendrick mainly competed on Heat or in tag title bouts , until London got injured in late 2007 . As a result , Kendrick was mainly used as a jobber on Raw , until London returned at the start of February 2008 , although Kendrick still won sometimes on Heat .

In his next storyline , Kendrick abandoned London during a handicap match with Umaga . This abandonment resulted in Umaga performing the Samoan Spike on London , allowing Umaga to pick up the win over the duo . London and Kendrick still teamed together with no apparent dissension rising between the former tag team champions . After defeating Charlie Haas and Robbie McAllister on Heat , London and Kendrick said they were ready to win the World Tag Team Championship . London and Kendrick beat the champions Hardcore Holly and Cody Rhodes next week on Heat in a non @-@ title match . However , they failed to win the World Tag Team Titles on Raw after Holly pinned London .

= = = The Brian Kendrick (2008 ? 2009) = = =

As part of the 2008 WWE Supplemental Draft , Kendrick was drafted back to the SmackDown brand while London stayed on Raw , thus ending the team . He made his return to the brand on the July 18 , 2008 airing of SmackDown ! as a major heel , with new ring attire defeating Jimmy Wang Yang with the help of his bodyguard , Ezekiel , who was later given a surname and became Ezekiel Jackson . Kendrick was later given the name " The Brian Kendrick " . On the August 22 edition of SmackDown , Kendrick won a 10 @-@ man battle royal to qualify for the WWE Championship Scramble match at Unforgiven . Kendrick won his first WWE Championship title at the event , though he did lose minutes after making him the longest reign as " interim " champion . As Kendrick was not the final interim champion , he never officially held the title . He later teamed with Jackson on many occasions , becoming number one contenders to the WWE Tag Team Championship held by Carlito and Primo , but they never managed to win the championship .

On April 15 , 2009 , Kendrick was separated from Jackson as he was drafted back to the Raw brand as part of the 2009 Supplemental Draft while Jackson was drafted to the ECW brand . He wrestled his return match on Raw on the April 27 episode , against Kofi Kingston . He won a match on Raw after defeating Carlito on the May 11 episode before declaring his intention to win the Unified WWE Tag Team Championship ; in the following weeks , Kendrick tried several unsuccessful pairings . In his final match , he was defeated by Kofi Kingston while cutting a promo on Jerry Lawler . The match ended with Kendrick turning around into Trouble In Paradise . On July 30 , 2009 , WWE announced that Kendrick was released from his WWE contract .
