

= Ohio State Route 228 =

State Route 228 (SR 228) is a short north-south state highway in the U.S. state of Ohio . The southern terminus of the state route is at State Route 19 (SR 19) nearly five and a half miles (8 @.@ 9 km) north of Republic . Its northern terminus is at SR 101 approximately 5 @.@ 5 miles (8 @.@ 9 km) southwest of Clyde .

The state highway was established in 1924 . It serves as a connector between SR 19 and SR 101 east and northeast of where the two routes intersect . SR 19 jogs west from SR 228 's southern terminus , and SR 101 traverses in a southwest @-@ to @-@ northeast fashion , creating a tight angle between the two routes . SR 778 serves a similar purpose to SR 228 to the west and southwest of the junction of SR 19 and SR 101 .

= = Route description = =

SR 228 is located entirely within Adams Township in Seneca County . It is not included in the National Highway System . SR 228 has a AADT of 320 .

The short connector route begins where SR 19 and County Road 32 (CR 32) meet , an intersection in which SR 19 forms the southern and western legs and CR 32 approaches from the east . The route passes through mostly farmland . After that , SR 228 arrives at its endpoint at the intersection of SR 101 , where it crosses southwest @-@ to @-@ northeast , and Township Road 180 (Rowe Road) continues to the northwest after SR 228 terminates .

= = History = =

SR 228 came into being in 1924 along the routing that it occupies to this day . No significant changes have taken place to the route since its designation . The route was repaved in 1969 , 1983 , and 1995 .

= = Major intersections = =

The entire route is in Adams Township , Seneca County .
