In 2006 , Crawford signed a developmental contract with World Wrestling Entertainment ( WWE ) and was assigned to Ohio Valley Wrestling ( OVW ) , WWE 's then @-@ developmental territory . She debuted on July 1 , 2006 , as a special guest referee , under her real name , in a match between Shelly Martinez and ODB . On September 6 , Crawford made her in @-@ ring debut , under the new ring name Tori , in an OVW women 's battle royal , in which she was eliminated by ODB . She spent the following month competing regularly in both singles and tag team matches , against opponents including Mickie James , ODB , and Katie Lea . In late September , she began managing Elijah Burke , accompanying him to the ring for matches against Chet The Jet . At the OVW television tapings on October 18 , having reverted to her real name , Crawford challenged Beth Phoenix for the OVW Women 's Championship , but lost following interference from Serena Deeb . Two days later , on October 20 , Crawford won a gauntlet match at an OVW house show to win the OVW Women 's Championship . The following night , however , Crawford lost the championship back to Phoenix , who won an eight @-@ woman elimination match . Crawford 's championship win is unrecognized by OVW , and the promotion considers Phoenix 's two reigns as champion as a single , uninterrupted reign . Crawford continued to feud with Phoenix in early 2007 , facing her in several tag team matches , in which Phoenix teamed with ODB and Crawford teamed with Lea or Deeb . Simultaneously , Crawford participated in the " Miss OVW " contest , which was won by ODB . Crawford had a series of matches with Milena Roucka in April , before moving onto a feud with Maryse Ouellet . Her final appearance in OVW was on July 21 , when she participated in a three @-@ way match for the OVW Women 's Championship , which was won by ODB .

Crawford debuted for WWE 's new developmental territory Florida Championship Wrestling ( FCW ) on September 2 , 2007 , participating in a best body contest . Her FCW in @-@ ring debut came on September 25 , where she and Nattie Neidhart defeated The Bella Twins ( Brianna and Nicole ) in a

tag team match . She quickly began feuding with The Bella Twins , while allying herself with Neidhart . The Bella Twins defeated Crawford and Neidhart on two consecutive occasions , and on October 23 , Crawford lost to Nicole in a singles match . A week later , she and Sheamus O'Shaunessy were defeated by Brianna and Kofi Kingston in a mixed tag team match . In December , Crawford teamed with Tommy Taylor in a loss to Brianna and Robert Anthony . The feud continued into 2008 , with the Bellas defeating Crawford and Maryse Ouellet on January 8 , and Crawford and Neidhart on January 19 and 29 . Following the completion of the feud , Crawford began competing regularly against her former tag team partner , Neidhart . Neidhart won their first singles encounter on February 5 and was on the winning side of a tag team match on February 23 , before Crawford won a singles match against her on February 26 . Following her debut on SmackDown , Crawford changed her ring name to Alicia Fox . She began managing Jack Gabriel in September , and teamed with Gabriel in mixed tag team matches against Mike Krueh and Wesley Holiday and Gabe Tuft and Melina , while continuing to compete in singles competition as well . Fox competed in the Queen of FCW tournament between December 2008 and February 2009 , defeating Jenny Quinn and Tiffany en route to the final , where she lost to Angela Fong .

=== Brand switches ( 2008 ? 2010 ) ===

Crawford debuted on WWE 's main roster on the June 13 , 2008 episode of SmackDown , as Alicia Fox , in a backstage segment with Vickie Guerrero , which saw her portraying Guerrero and Edge 's wedding planner . During their wedding reception the following month , Triple H revealed Edge kissing Fox the day before the wedding on camera . Fox involved herself in the WWE Championship match at The Great American Bash when she attempted to help Edge , but she was stopped by Guerrero . The confusion surrounding her interference caused Edge to accidentally spear Guerrero .

After a three @-@ month hiatus from television , Fox resurfaced on the November 18 episode of ECW , managing English wrestler DJ Gabriel , in a fan favorite role . Their on @-@ screen association was explained by WWE claiming that Fox had moved her wedding planning business to England during her hiatus from WWE television , where she had met Gabriel . Gabriel and Fox began feuding with the Burchill siblings ( Paul and Katie Lea ) in late December 2008 . Fox made her ECW in @-@ ring debut on January 6 , 2009 , in a loss to Katie Lea . The following week , Gabriel and Fox defeated the Burchill siblings in a mixed tag team match , giving Fox her first win as part of the brand . In March , Fox and Gabriel feuded with Tyson Kidd and Natalya , with Natalya defeating Fox on March 3 episode of ECW . Fox competed in the 25 Diva battle royal at WrestleMania XXV , which was ultimately won by Santina Marella .

Fox was drafted to the SmackDown brand as a part of the 2009 Supplemental Draft on April 15 . She made her in @-@ ring debut as a villainous SmackDown Diva on the April 30 episode of WWE Superstars , teaming with Michelle McCool to defeat Maria and Gail Kim . After winning her debut match , Fox aligned herself with Michelle McCool , with the pair teaming together in tag team matches as well as accompanying each other to the ring for singles matches . Fox was in the corner of McCool when McCool won the WWE Women 's Championship at The Bash . Alicia Fox then went on to have a several week feud with SmackDown Diva Maria Kanellis . However , the rivalry wasn't aired due to time difficulties . It was mostly Fox who won most the matches proving to be the best out of the two Divas . The rivalry came to an end after a No. 1 # Contenders match won by Alicia Fox . The main reason the rivalry didn't continue was because Michelle McCool was the champion at the time and Alicia Fox was in an alliance with her .

On June 29 it was announced that Fox had been traded to the Raw brand . The following week , she made her Raw debut in a tag team match , teaming with Maryse against Gail Kim and Mickie James in a losing effort . She gained her first victory on Raw on July 13 , when Fox , Maryse , and Rosa Mendes won a six @-@ Diva tag team match . Fox picked up her first pinfall victory by defeating Kelly Kelly during a tag team match on the July 20 episode of Raw . On the August 10 episode of Raw , Fox was involved in a fatal four @-@ way match to determine the number one contender for the WWE Divas Championship , but was unsuccessful . The following month , on

September 14 , she defeated Gail Kim to become the number one contender to the Divas Championship . She received a match for the championship at Hell in a Cell against Mickie James on October 4 , but was unsuccessful . Fox became the number one contender to the Divas Championship again on the November 2 episode of Raw , by winning a battle royal which involved The Bella Twins , Eve Torres , Gail Kim , and Kelly Kelly . She challenged Melina two weeks later for the championship , but was unsuccessful . Melina then vacated the Divas Championship due to injury , and a tournament was set up to determine the new champion in early January 2010 . Fox defeated Kelly Kelly in the first round of the tournament , but later lost to Gail Kim in the semi @-@ finals . Fox was on the winning team in a 10 @-@ Diva tag team match at WrestleMania XXVI , but on the losing side the following night in a rematch on Raw . On the April 5 episode of Raw , Fox was involved in a " Dress to Impress " battle royal to determine the number one contender to the WWE Divas Championship , but was unsuccessful , and the match was won by Eve Torres .

In May 2010 , Fox began a storyline with Zack Ryder , after he requested that she and Gail Kim be ringside on several occasions to watch his matches , so he could impress them and find a new valet . During his match with Evan Bourne on May 10 , Fox interfered on Ryder 's behalf , but was stopped by Gail Kim . The following week , Bourne and Kim defeated Ryder and Fox in a mixed tag team match . After the match , the evil Fox attacked Ryder in order to collect a " bounty " from the Raw guest host , Ashton Kutcher .

On June 20 , 2010 , at the Fatal 4 ? Way pay ? per ? view , Fox competed in a fatal four ? way match for the WWE Divas Championship , which also involved Gail Kim , Eve Torres , and Maryse . Fox pinned Maryse to win the championship for the first time , and as a result became the first African American Diva to win the title . In her first title defence , on the July 5 episode of Raw , Fox successfully defended the championship against Eve after feigning an ankle injury and as a result , Eve was granted a rematch at Money in the Bank by Raw 's anonymous General Manager , where Fox was again able to successfully retain the championship . In August , Melina returned from an injury and attacked Fox , after the latter declared herself to be undefeatable and the greatest champion in history . After defeating Fox in a non ? title match on Raw , Melina was granted a title shot , on August 15 , at SummerSlam , which she won , ending Fox 's reign at 56 days .

On August 31 , Fox was announced as the mentor of Maxine for the all ? female third season of NXT but Maxine failed to win the competition , and was the second rookie Diva to be eliminated . Fox received a rematch for the Divas Championship against Melina on the September 6 episode of Raw , which she lost . In December , Fox competed in a battle royal to determine the winner of the " Diva of the Year " Slammy Award , but was eliminated by Natalya and also took part of a triple ? threat number one contender 's match , which was won by Melina .

On April 26 , 2011 , Fox was drafted back to the SmackDown brand as part of the 2011 supplemental draft and in her first match back for the brand , acting as a villainess , she was defeated by Layla and suffered a shoulder injury . On the May 27 episode of SmackDown , in her return , Fox and Tamina Snuka defeated the team of Kaitlyn and AJ Lee , which later transitioned into a feud between the two sets of Divas , with Fox and Tamina regularly winning tag team matches and allying with Rosa Mendes . The alliance between Fox and Tamina ended on the August 11 episode of WWE Superstars , when Fox defeated Tamina in a singles match .

After a tag team match , which they lost , on the August 19 episode of SmackDown , Fox was attacked by Natalya , which provoked a feud between the two . She began acting as a face while wrestling alongside several different Divas to face Natalya and Beth Phoenix , collectively known as The Divas of Doom , in tag team matches , and also regularly competing against them in singles matches . As part of the storyline , Fox also prevented Natalya and Phoenix from attacking other Divas , including Kelly Kelly and AJ . The storyline continued sporadically throughout the first half of 2012 , with Fox losing tag team and singles matches to Phoenix and Natalya . Fox spent the remainder of 2012 and early 2013 competing in sporadic matches , usually on the losing side . In mid ? 2013 , Fox appeared on the rebooted WWE NXT , entering a tournament to determine the

inaugural NXT Women 's Champion , where she defeated Bayley in the first round , but lost to Paige in the semi ? finals .

In September , Fox took part of the WWE Divas Champion AJ Lee 's team which feuded with the cast of the Total Divas reality television show , which led to a traditional seven ? on ? seven elimination tag team match , in which Fox was the first to be eliminated , courtesy of Naomi .

Since January 2014 , Fox formed a tag team with Aksana , later dubbed " Foxsana " . In April , Fox participated in the " Vickie Guerrero Divas Championship Invitational " match at WrestleMania XXX , which was won by defending champion AJ Lee . After that , Fox started a feud with the newly crowned WWE Divas Champion Paige , losing to her in a series of matches on Raw , Main Event , and WWE Superstars . Her losses provoked a storyline , in which she lost her temper after matches , taunting the ring announcers , ringside crew , and crowd and defacing the ringside area . Fox was eventually able to defeat Paige on Raw on May 19 in a non ? title match and celebrated by taking Jerry Lawler 's crown afterwards . Her victory set up a title match between the two at Payback , on June 1 , which Fox lost . Following a further loss to Paige on June 9 , Fox attacked tag team partner Aksana , before defeating her in a match on SmackDown , officially disbanding Foxsana .

After a hiatus , Fox returned to WWE television , on the September 29 episode of Raw , where she defeated AJ Lee , with the help of her former rival Paige and subsequently , formed an alliance with her , and went on to pick up another win over AJ on October 20 . However , when Fox inadvertently cost Paige a title match at Hell in a Cell , Paige dissolved the alliance by attacking her the following night on Raw . This prompted a traditional four ? on ? four elimination tag team match , with each captaining a side , at the Survivor Series pay ? per ? view in November , where Fox 's team won the match with a clean sweep . In January 2015 , Fox developed a rivalry with Naomi , during which she formed a brief alliance with The Miz and Damien Mizdow , and the trio went on to defeat Naomi and The Usos in a series of mixed tag team matches . On the April 13 episode of Raw , Fox competed in a number one contender 's battle royal for Nikki Bella 's WWE Divas Championship , which would be won by Paige .

On the June 15 episode of Raw , Fox was a part of the Divas that Paige tried to rally in an attempt to take a stand against The Bella Twins and join her , but no one accepted the offer . Three days later on SmackDown , Fox assisted Brie Bella in her match against Paige , and thus aligning herself with The Bella Twins and formed " Team Bella " . After weeks of Team Bella outnumbering Paige , Naomi , and Tamina , Stephanie McMahon called for a " revolution " in the WWE Divas Division by introducing the debuting Charlotte and Becky Lynch as Paige 's allies , and NXT Women 's Champion Sasha Banks aligning with Naomi and Tamina , leading to a brawl between the three teams . The three teams would ultimately face off , on August 23 , at SummerSlam in a three team elimination match . Team Bella would first eliminate Team B.A.D. when Brie Bella pinned Tamina , however Team PCB would win the match after Brie was pinned by Becky Lynch . On the August 25 episode of Tough Enough , Fox make a special appearance on the finale of the sixth season , wrestling finalists Amanda and eventual winner Sara Lee . Fox spent the remainder of 2015 competing occasionally in singles matches and tag team matches with Brie Bella , while Nikki Bella was off television with an injury .

After defeating Charlotte in a non ? title match on the February 1 episode of Raw , Brie was granted a match for the WWE Divas Championship at Fastlane on February 21 , where she failed to capture the title . During that time , Team Bella quietly disbanded and both Fox and Brie transitioned into fan favorites .

Upon the fading of Team Bella , Fox teamed up with Brie against Team B.A.D. on the March 14 episode of Raw , where both of them were defeated after a distraction provided by Lana , transitioning herself into a face . On the March 22 episode of Main Event , alongside Natalya she accompanied Paige to her match against Naomi , accompanied by Tamina and Lana . Later in the match , she and Natalya were viciously attacked by Summer Rae and a returning Emma , distracting Paige as they aligned themselves with Lana and Team B.A.D. The following week , she along with

Brie and Natalya accompanied Paige to her match against Emma on the March 28 episode of Raw , where she was defeated after Lana attacked Paige . Post @-@ match , she along her allies were attacked by Emma , Summer , Lana , Tamina and Naomi , before they were saved by a returning Eva Marie . As a result , a 10 @-@ Diva tag team match between the Total Divas team ( Brie , Fox , Natalya , Eva and Paige ) and the newly dubbed team B.A.D. & Blonde ( Naomi , Tamina , Lana , Emma , and Rae ) was announced for the WrestleMania 32 's pay @-@ per @-@ view pre @-@ show . At the event on April 3 , Fox 's team won after Naomi submitted to Brie Bella .
