When Trish Stratus made her return from a legitimate back injury on September 12 , she became a fan favorite by joining forces with Massaro . At Unforgiven , Victoria and Wilson lost a match against Stratus and Massaro . At WWE Homecoming , they lost again in a Bra and Panties Handicap match when they were stripped by their opponents .

For several weeks afterward , Wilson was absent from television due to personal issues she had to attend to off @-@ screen . At Taboo Tuesday in November , Candice Michelle was eliminated from the Fulfill Your Fantasy Battle Royal for the WWE Women 's Championship by former rival Ashley Massaro .

On the January 2 episode of Raw , the Ladies in Pink turned their attention to backstage announcer Maria Kanellis , blaming her for Victoria 's loss in a match . Victoria announced to Maria that they had a match scheduled that night and proceeded to attack her before the bell . Although Victoria seemed to have the advantage in the match , which included interference from Wilson and Chloe , Victoria was pinned after she attempted an offensive maneuver but missed and ran into the turnbuckle , allowing Maria to pin her . After the match , Candice Michelle , Wilson , and Victoria attacked Maria until Ashley Massaro ran down to the ring to assist Maria . The conflict between the Divas caused the Chairman , Vince McMahon , to make a Bra and Panties Gauntlet match at New Year 's Revolution , which Massaro won when she eliminated Victoria by removing her shorts . The next night on Raw , the Ladies in Pink announced that they had changed the name of their alliance to Vince 's Devils . The storyline rivalry with Massaro continued on the January 23 episode of Raw , when Victoria and Candice Michelle were defeated by Trish Stratus and Massaro in a tag team match . By February , Candice Michelle had announced that she was going to be on the cover of the April edition of Playboy magazine , and tension began to grow between Candice Michelle and Torrie Wilson . After winning a number one contender 's Diva battle royal on Raw in which she first eliminated Wilson and then Mickie James and Ashley at the same time , Candice Michelle received her first singles WWE Women 's Championship match , but she lost to champion Trish Stratus on February 27 . After the match , Candice Michelle slapped Wilson , blaming her , in storyline , for the loss . As a result of the tension between the women , Wilson became a fan favorite , while Candice Michelle and Victoria continued to act as villains on @-@ screen .

On March 13 , during Victoria 's Women 's Championship match , Wilson ran down and gave Victoria a facebuster costing her the victory . Later in the broadcast , it had appeared that Candice Michelle and Victoria may have gotten their revenge as Trish Stratus found an unconscious Wilson laid out in the Divas ' Locker room with Candice 's Playboy magazine lying across Wilson . At WrestleMania 22 , Wilson gained revenge by defeating the evil Candice Michelle in a Playboy Pillow Fight match . On the June 12 episode of Raw , Wilson defeated Candice Michelle in the first ever Wet and Wild match , a wrestling match involving water balloons and squirt guns , in which the winner of the match would be on the cover of the WWE 2006 Summer Special magazine . After the match , the feuds and alliances between the women ended , and they continued to appear together in television segments with no mention of their time as former allies and enemies . On the July 17 episode of Raw , Candice was the Special Guest Referee during a tag team match of Stratus and Wilson against Victoria and Mickie . James entered the match without being tagged in , so Candice threw her out of the ring . Afterwards , Victoria tried to clothesline Candice , but she ducked out of the way , allowing Stratus to perform a Stratusfaction for the victory . As a result of her participation in the match , Candice became a face . Their allies between Candice and Victoria came to an end .
