

= Ohio State Route 365 =

State Route 365 (SR 365) is a very short two @-@ lane east ? west state highway in western Ohio . Its western terminus is at a T @-@ intersection with the SR 235 / SR 366 concurrency one mile (1 @.@ 6 km) north of the village of Lakeview . After running east and south for less than 980 feet (300 m) , the highway arrives at its eastern terminus in Indian Lake State Park , serving a boat launch on the western shore of Indian Lake .

This spur route was created in 1934 , and runs exclusively in Logan County . At a length of just 0 @.@ 16 miles (260 m) , SR 365 is one of the shortest state highways in Ohio .

= = Route description = =

All of SR 365 exists within Stokes Township in northwestern Logan County . The short spur route is not a part of the National Highway System . Around 230 vehicles use the route on average each day . SR 365 is one of the shortest state routes in Ohio , and there are no reassurance markers directly on SR 365 . There is only one location marker on the route , at the beginning of the road . All of SR 365 is paved in asphalt concrete .

SR 365 begins at a T @-@ intersection with the concurrency of SR 235 and SR 366 about one mile (1 @.@ 6 km) north of Lakeview . The highway travels amidst a neighborhood of cottages as it heads east , with side streets radiating from it . After several jaunts , SR 365 proceeds south . The highway then arrives at its endpoint at a parking lot for a boat launch serving Indian Lake State Park on the west side of Indian Lake . A small driveway at SR 365 's terminus leads back to SR 235 / 366 . Due to the lack of reassurance markers on SR 365 , there are no markers marking the end of the route .

= = History = =

The spur route was designated in 1934 along the short path that it currently runs ; no significant changes have taken place to SR 365 since its inception .

= = Major intersections = =

The entire route is in Stokes Township , Logan County .
