

= M @-@ 41 (Michigan highway) =

M @-@ 41 was the designation of a former state trunkline highway in the Lower Peninsula of the US state of Michigan that began near Holton and ran north- and northwest @-@ ward , ending at Hart . The highway was created by 1919 and lasted until 1926 . The designation has not been reused since .

= = Route description = =

M @-@ 41 followed the present day route of M @-@ 120 between Holton and Hesperia . The roadway ran northeast to the Muskegon ? Newaygo county line . The highway turned north along the county line to the tri @-@ point between Muskegon , Newaygo and Oceana counties . From there , M @-@ 41 followed the Oceana ? Newaygo county line north to Hesperia . There it turned west to Ferry and then northwest to Hart .

= = History = =

When the state highway system was first signed in 1919 , M @-@ 41 was designated between Holton and Hart . After the creation of the United States Numbered Highway System on November 11 , 1926 , and the designation of U.S. Highway 41 in the Upper Peninsula , the Michigan State Highway Department renumbered the state highways that had numbers that duplicated the then @-@ new US Highways . In the process , the M @-@ 41 designation was decommissioned. the southern half became part of a newly designated M @-@ 20 . The northern half was made part of M @-@ 82 .
