Kia Michelle Stevens (born September 4 , 1977) is an American professional wrestler best known for her time with Total Nonstop Action Wrestling under the ring name Awesome Kong . She is also known by the ring name Amazing Kong and appeared in WWE as Kharma . She is a five @-@ time Women 's Champion , having won the TNA Knockouts Championship two times and the WWWA World Championship , NWA World Women 's Championship and AWA Superstars of Wrestling World Women 's Championship once . Her success is not limited to singles wrestling , as she frequently teamed with Aja Kong to form the tag team W Kong who held tag team championships in four different promotions , along with winning the TNA Knockouts Tag Team Championship with Hamada . She was also ranked first in the inaugural list of Pro Wrestling Illustrated 's Top 50 Females and is the third woman to enter the WWE Royal Rumble match .

She began her professional wrestling career in 2002 after appearing on a reality television show . She primarily wrestled in Japan for the first five years of her career , holding numerous championships there . In 2006 she began wrestling in her native United States again , appearing on the independent circuit before appearing on national television with TNA Wrestling where she was a driving force in the foundation of their Knockouts division .

Joanie Laurer , known during her WWF career as Chyna , and Trish Stratus served as Stevens ' primary inspirations to become a professional wrestler . In 2002 , Stevens appeared on the Discovery Health Body Challenge as a contestant trying to lose weight in hopes of becoming a professional wrestler . Afterward , Stevens trained at the School of Hard Knocks out of San Bernardino , California . Soon , she was able to have her first professional match in the Empire Wrestling Federation .

After putting on an impressive showing at a tryout , Stevens was invited to further her training in the dojo of joshi puroresu (female Japanese wrestling) promotion All Japan Women 's Pro @-@ Wrestling (AJW) . While there she underwent a rigorous training schedule , became fluent in Japanese , and engaged in training for mixed martial arts but chose to pursue professional wrestling . She was given the ring name Amazing Kong by Masatsugu Matsunaga , who needed a replacement for Japanese female wrestler Aja Kong in several matches . Stevens , as Kong , worked for multiple women 's promotions in Japan , and she defeated Ayako Hamada for the WWWA World Heavyweight Championship in late 2004 . Later , Stevens cited Hamada as one of her favorite opponents .

In 2004 Kong debuted for the joshi promotion Gaea Japan in a match against Aja Kong . In the battle of American Kong versus Japanese Kong on April 30 at Limit Break . At the promotion 's ninth anniversary event Aja Kong won the match but gained enough respect for Amazing Kong that the two attacked both competitors in the main event , revealing themselves as a new tag team named W Kong . The duo soon made their presence felt when they challenged Chigusa Nagayo and Lioness Asuka for the AAW Tag Team Championship on May 5 and won . The team defended the championship successfully all Summer , eventually losing to Manami Toyota and Carlos Amano on September 20 . Going into 2005 , Kong main evented the final Gaea show before the promotion closed down . In the final match of Fifth Anniversary , Kong teamed with Ayako Hamada and Mayumi Ozaki in a winning effort against Akino , Dynamite Kansai and Gami with Ayako picking up the victory .

After the closure of Gaea , W Kong went on to wrestle for a number of Japanese promotions including Hustle , where they were given the comedic gimmicks of Margaret and Erika which involved , among other things , wrestling in a yellow tutu . They won the predominantly male Hustle Super Tag Team Championship from June until October 2006 . They were also the final team to

hold WWWA World Tag Team Championship before AJW shut down . In early 2007 , Kong also won the AWA Superstars of Wrestling World Women 's Championship in Tokyo , Japan and held it from January to May . She lost it to Nanae Takahashi in a three way match , which also included Wesna .

= = = Championship pursuits (2006 ? 2010) = = =

Her success in Japan attracted the attention of United States promotion Shimmer Women Athletes , who began regularly booking her for their DVD tapings in Kong 's homeland from May 2006 . Her debut came on Volume 5 with a win against Nikki Roxx . She defeated Roxx again on Volume 14 : Hot Summer Nights in a rematch . The rematch was Kong 's fifth successive win which led her to challenge for the Shimmer Championship in October 2007 against inaugural champion Sara Del Rey , for the Volume 15 taping . Del Rey retained to give Kong her first Shimmer loss , albeit via count out .

Kong then began another winning streak , losing only to Ariel by disqualification after using a chair on Volume 17 which set back her chances of being given another championship match . She was placed in a Four @-@ Way Contendership match on Volume 21 ; during the match Mercedes Martinez used her Fisherman Buster finisher on Cheerleader Melissa but before she could be pinned , Kong dragged Martinez to the floor and the two battled it out while Ariel stole the win to receive a championship match . This incident led to a grudge match between Martinez and Kong on Volume 23 , which Kong won . On the following show , instead of a Shimmer Championship match , Kong was put in a contendership match for the Shimmer Tag Team Championship , forming a brief alliance of convenience with Del Rey , who herself was having issues with their opponents MelissChif (Cheerleader Melissa and Shimmer Champion MsChif) . After winning the match , they faced the reigning champions Ashley Lane and Nevaeh in the following match , and once again Kong was disqualified after using chairs on her opponents . An assault continued until Martinez and Serena Deeb , who was feuding with Del Rey , appeared to help out the Tag Team Champions . This occurrence led to another tag team match with Kong and Del Rey picking up a victory over Martinez and Deeb .

Wanting to focus on her singles career again , Kong wrestled LuFisto on Volume 27 in a match to take on the Shimmer Champion . It ended in a double count @-@ out , with the two brawling outside the ring through the building and even during the next match in the show . This meant the championship match on Volume 28 , in November 2009 , would be a three @-@ way elimination match including the champion MsChif . Kong eliminated LuFisto early on with an Amazing Bomb , essentially leading to a rematch of Kong and MsChif 's critically respected Volume 9 match . In this match , however , MsChif took a return win after kicking out of the Amazing Bomb and delivering all of her signature finishing moves on Kong to become the first woman to pin Kong in Shimmer . She appeared for one more appearance in September 2010 for the Volume 35 event , answering an open challenge by Kellie Skater with an emphatic victory .

= = = Ring of Honor (2007 , 2010) = = =

Owing to Shimmer being a sister promotion of Ring of Honor (ROH) , Kong was noticed by ROH and scouted to appear on both products . On 15 September 2007 she made her debut for ROH at their Man Up pay @-@ per @-@ view (PPV) . Teaming with Daizee Haze in a tag team match , they defeated Sara Del Rey and Lacey .

Kong returned to ROH on May 8 , 2010 to take part in the promotion 's annual Supercard of Honor V. Once more she wrestled Del Rey , this time in a singles match which she lost after Del Rey used a weighted elbow pad thrown to her by Kings of Wrestling stablemate Chris Hero , sparking a rivalry between the two . Kong returned to settle the score with Del Rey two months later at Hate : Chapter

II on July 23 . The Kings of Wrestling were in the midst of a rivalry with The Briscoe Brothers (Jay and Mark) , and so Kong teamed with them in a six @-@ person tag team match , where they defeated Del Rey , Hero and their stablemate Claudio Castagnoli , though Kong did not secure the pin . Consequently , they had a singles rematch the following night , with Kong finally defeating Del Rey one @-@ on @-@ one . At the end of the year , ROH held their live PPV Final Battle 2010 , which saw Del Rey challenge Daizee Haze to bring more competition to ROH . Haze responded by bringing Kong back for the December 18 match against Del Rey and her partner Serena Deeb . In the match Del Rey pinned Haze , while Deeb successfully neutralized Kong with a spear .

= = = Independent circuit (2007 ? 2010) = = =

After growing success in Shimmer , Kong began appearing on the American independent circuit bringing with her the AWA World Women 's Championship from Japan . She put it on the line in a champion versus champion match against MsChif 's NWA World Women 's Championship on May 5 , 2007 becoming a joint champion with her win . A rematch between the two in September , exclusively for the NWA belt after Kong lost the AWA title in May , headlined the NWA No Limits 3rd Anniversary Show which saw Kong retain the title . Kong defended the belt in a number of promotions throughout the year but 11 months later , in April 2008 , MsChif won back the title via countout under a special stipulation to retain Kong 's stature . The following year , Kong once again challenged for the NWA World Championship at NWA Charlotte 's Valentine 's Day themed inaugural show , Thorns & Roses , in the penultimate match of the evening . With Daffney in her corner , MsChif and saved herself from the Awesome Bomb by using her green mist , disqualifying herself to retain the belt in the process .

In June 2007 , Kong toured Great Britain under the ChickFight promotion , wrestling guest matches under that banner for other promotions . The tour started on June 15 in Wales for Celtic Wrestling , where she picked up a victory over ChickFight stalwart Cheerleader Melissa . The following day Kong debuted for Real Quality Wrestling (RQW) and took part in a Four @-@ Way RQW Women 's Championship match , that saw Wesna win the belt from reigning champion Eden Black , with Jetta also coming up winless . The following day Kong competed in Chickfight IX , the ninth and final all @-@ women knockout tournament under the ChickFight banner . She received a bye via forfeit , owing to a severe injury Cheerleader Melissa had given her opponent Sweet Saraya at RQW the night before , which allowed her to be fresh against Blue Nikita . After defeating Nikita in the semi @-@ final , she faced dethroned RQW Champion Eden Black and won the trophy .

After achieving notoriety on national television , Kong received more bookings including for the all @-@ female company Women Superstars Uncensored in March 2008 . She appeared at their First Anniversary Show answering an open challenge made by Rick Cataldo and Roxxie Cotton , defeating them both in a handicap match within a minute . Later in the same event she teamed with Amy Lee and defeated Angel Orsini and Shimmer rival Mercedes Martinez . Despite picking up the victory , Kong felt that Lee stole the glory of a win from her and went to attack Lee ; this led to an Amy Lee 's Rules match in the main event of Dawn of a New Day which Kong won after Lee passed out , refusing to submit . The two had a rematch at Army of One which Kong lost by disqualification after hitting a referee leading to a deciding rubber match contested under Last Man Standing rules . At the Second Anniversary Show , Kong narrowly beat Amy Lee after charging at Lee with a chair only for Lee to pass out to the ground and Kong to hit the ropes and knock the chair back into herself . Judging Lee to have been down one count before Kong , Kong won the match but bowed to Lee afterwards out of respect .

After winning this match , Kong was given a match against Martinez for the WSU Championship in December 2009 at a WSU and National Wrestling Superstars co @-@ hosted event . Kong received another chance at the title at Evolve 5 : Danielson v Sawa for the Evolve promotion but still could not bring an end to Martinez 's two @-@ year reign .

===== Knockout Champion (2007 ? 2009) =====

Stevens debuted on the October 11 , 2007 episode of Total Nonstop Action Wrestling (TNA) ' s flagship show Impact ! under the tweaked name Awesome Kong as part of TNA ' s attempt to bolster their Knockout division . After defeating Gail Kim , Kong participated appeared at the Bound for Glory PPV . There she took part in a 10 @-@ Knockout Gauntlet match to crown the first TNA Women ' s Knockout Champion but she was eliminated by the combined effort of Angelina Love , ODB and eventual winner Gail Kim . Two months later at Turning Point , she lost a Women ' s Knockout Championship match to Kim via disqualification after shoving the referee and Awesome Bombing him . This incident led to a No Disqualification match for the Women ' s Knockout Championship at Final Resolution in January 2008 , which Kong also lost . On the next episode of Impact ! , airing 10 January , Kong debuted an anonymous manager wearing a niq?b , later named Raisha Saeed ; with her help Kong finally won the Women ' s Knockout Championship . At Lockdown , Kong and Saeed teamed up for the first time , losing a Tag Team Cage match to Kim and ODB .

On the 8 May episode of Impact ! Kong began a regular \$ 25 @,@ 000 challenge to females in the audience who wanted to challenge her for the Women ' s Knockout Championship . The audience members , played by planted wrestlers , failed to defeat her but one challenger , Taylor Wilde , kept returning and on 10 July she won both the \$ 25 @,@ 000 and Women ' s Knockout Championship on her third attempt . Kong then failed to regain the championship from Wilde during a rematch at Victory Road . On October 23 , during a live episode of Impact ! Kong defeated Wilde to become a two @-@ time Knockout Champion . Two weeks later Wilde ' s tag team partner Rhaka Khan turned on her and aligned herself with Kong and Saeed . The alliance of Kong , Saeed and Khan became known as The Kongtourage , with a fourth wrestler named Sojourner Bolt joining later . Wilde then found a new partner in Roxxi , who helped her defeat Kong and Saeed in a tag team match at Turning Point . Going into 2009 , Bolt became the contender for Kong ' s championship and left the Kongtourage with Khan . Kong retained her title against Bolt at Destination X in April .

On the March 26 episode of Impact ! , Kong and Saeed were defeated by villainous tag team The Beautiful People (Angelina Love and Velvet Sky) , and after the match The Beautiful People tried to cut Kong ' s hair as part of their makeover gimmick . They continued to target Kong ' s hair and eventually accomplished the task on the April 16 episode of Impact ! which transitioned Kong into a fan favorite by attempting to retaliate . The tension built to a Three @-@ Way Cage match at Lockdown for the Women ' s Knockout Championship with Kong defending against Angelina Love and continual rival Wilde . In the match , Kong lost the championship after Velvet Sky , on the outside , tied Kong ' s hair to the cage preventing her from breaking up Love ' s pin on Wilde . After losing the title , Kong defeated Love ' s allies Sky , Madison Rayne and Cute Kip in separate Stretcher matches ahead of their rematch . Love , however , retained the title against Kong at Sacrifice .

===== Knockouts Tag Team Champion (2009 ? 2010) =====

In August 2009 Kong and Saeed entered the tournament to crown the inaugural TNA Knockouts Tag Team Champions . In the first round of the tournament , the team was able to defeat The Main Event Mafia (Traci Brooks and Sharmell) after Saeed blind tagged Kong and pinned Brooks , much to Kong ' s dismay . Three weeks later they were eliminated from the tournament by their long term rival Taylor Wilde and her partner Sarita when Wilde pinned Saeed . Subsequently , Kong began rivalries with Tara and Knockout Champion ODB . At Bound for Glory , Kong had her last match for the Knockout Championship against Tara and ODB , but Saeed inadvertently cost Kong the match while interfering . On the following episode of Impact ! Kong faced Saeed in a grudge match and powerbombed her through the entrance stage , signalling the end of both their partnership and the Saeed character . After interfering in two of Tara ' s matches , Kong and Tara wrestled at Turning Point in a Cage match , which Tara won .

On the December 17 episode of Impact ! Kong formed a tag team with Hamada as they won a

three @-@ way non @-@ title match against The Beautiful People (Madison Rayne and Velvet Sky) and the TNA Knockouts Tag Team Champions Taylor Wilde and Sarita , when Kong pinned Rayne . On the first Impact ! episode of 2010 , Kong and Hamada defeated Sarita and Wilde to win the TNA Knockouts Tag Team Championship .

In a non @-@ storyline incident Bubba the Love Sponge claimed on his January 19 radio show that Stevens had attacked him while backstage for the tapings of Impact ! the previous day due to his negative comments concerning the Haiti earthquake relief project . Kong , who had been a driving force in the wrestling community in raising funds for Haiti , was reportedly sent home from the tapings following the altercation . It was later reported that the same day as Bubba 's radio show , Stevens asked for her release from TNA , but it was not granted . After she refused to take part in TNA 's January 2010 tour of the United Kingdom , the company suspended her . The following month , Stevens filed a lawsuit against Bubba for an alleged threatening phone call . She was reportedly released from TNA on March 1 . On the March 8 episode of Impact ! it was announced that Kong and Hamada were stripped of the Knockouts Tag Team title after allegedly failing to defend them in 30 days , even though their previous defense had taken place just 21 days prior , against Madison Rayne and Velvet Sky . On March 22 , TNA confirmed Stevens ' release , while also claiming that she had requested her release due to personal reasons , but she later said it was due to monetary issues and recent changes to TNA management .

In March 2013 , Stevens turned down an offer to take part in a special all Knockouts pay @-@ per @-@ view held by TNA . During an interview in late November 2012 , Stevens revealed that she would never again work for TNA Wrestling .

= = = World Wrestling Entertainment / WWE (2010 ? 2012) = = =

On December 29 , 2010 , it was reported that Stevens had signed a contract with WWE . From April 11 , 2011 onwards , vignettes aired during WWE television with Stevens , whose face was concealed by shadows and her signature braids , dismembering female dolls while cackling maniacally . During the April 25 episode of Raw , Stevens ' face was shown for the first time in the vignettes , and her new ring name was revealed as Kharma . Kharma made her debut on May 1 at Extreme Rules , attacking Michelle McCool after a match , and she continued to attack former WWE Divas Champions on both Raw and SmackDown in the following weeks . On the May 23 episode of Raw , Kharma interrupted a tag team match but rather than attack everyone , she uncharacteristically broke down crying . The following week , Kharma spoke for the first time to reveal she was pregnant and thus forced to take a leave of absence from WWE . During her absence , she was included as a downloadable playable character in the WWE ' 12 video game .

Kharma made a surprise return in the 2012 Royal Rumble match as the twenty @-@ first entrant . She intimidated Michael Cole into eliminating himself before eliminating Hunico only to be thrown out by Dolph Ziggler . With her entrance , she became the third female , after Chyna and Beth Phoenix , to participate in a Royal Rumble match . This also marked her first and only official WWE match . In July 2012 , Stevens confirmed via Twitter that she had parted ways with WWE , after being released from her contract . By August 19 , she had been added to the list of the playable characters on the main roster in the WWE ' 13 video game . In September 2013 , Stevens revealed that she was granted her release from WWE because she was not ready to return in the time they allotted for her . She also confirmed her interest in returning to the company , stating she was ready .

At the end of the show , Kong reformed the W Kong tag team with Aja Kong . Stevens was supposed to return to take part in Seadlinng 's November 25 event , but on November 22 Takahashi announced that she had pulled out of the match due to " poor health " and claimed she had decided to retire from professional wrestling . Stevens later stated that she had wrestled her final match in Japan and retired the Amazing Kong name , but was for the time being still working as Awesome Kong .

Despite her previous announcement that she had wrestled her final match in Japan , Stevens , again working under the name Amazing Kong , returned to the country on July 18 , 2016 , to work Aja Kong 's 30th anniversary event , promoted by Oz Academy . In the main event of the show , Kong teamed with Aja Kong and Ayako Hamada to defeat Chihiro Hashimoto , Hiroyo Matsumoto and Rina Yamashita .

== Return to TNA (2015 ? 2016) ==

On January 7 , 2015 , during Impact Wrestling 's debut on Destination America , Awesome Kong returned after a battle royal , had an altercation in the ring with Havok and attacked referee Brian Stiffler . Over the following weeks , tension would build between Kong and Havok , with their feud culminating in a steel cage match on the Lockdown edition of Impact Wrestling on February 6 , which Kong won . On the March 6 episode of Impact Wrestling , Kong failed to capture the TNA Knockouts Championship in her match against Taryn Terrell after she got herself disqualified . Stevens grew up in Carson , California and has a younger brother . Prior to becoming a professional wrestler , she was employed as a social worker . She also owned a business that put vending machines in several high schools . Stevens ' family and friends helped her fund her career in wrestling , when she went to train in Japan . She is also an investor in Nu Skin Enterprises , a line of skin and nutritional products .

On May 30 , 2011 Stevens announced that she was pregnant with her first child . In July she made an inquiry about how many of her followers were " expecting as well " . Two days after she competed in the 2012 Royal Rumble , a TMZ article claimed sources close to her informed them that she had given birth to a baby boy named Jamie on December 31 , 2011 . This alleged claim from close sources was rephrased as fact within an hour by Pro Wrestling Torch .

In March TMZ expanded the story by saying that Kia had told friends she had delivery a healthy boy on December 31 , and that the child (gender unconfirmed) died an unspecified time prior to her being able to give birth . TMZ said she announced the birth as a success due to her emotional state at the time and fear of telling the truth after announcing the pregnancy on television . She also stated her intention to start a foundation for women who have experienced the loss of an unborn child .

She is currently engaged to Dan Ouellette , with whom she had been in a relationship for four years prior to getting engaged .

On August 6 , 2012 , weeks after she confirmed her WWE release , Stevens stated that she was on a mission to lose weight . She had recruited a team of fitness experts and a therapist so she could get back into wrestling shape . She also showed interest into turning the whole experience into a reality show . Recent photos have revealed a much slimmer Stevens .
