

= New York State Route 428 =

New York State Route 428 ( NY 428 ) was a north ? south state highway located within Chautauqua County , New York , in the United States . The southern terminus of the route was at an intersection with NY 39 in Forestville . Its northern terminus was at a junction with U.S. Route 20 ( US 20 ) in Silver Creek . The route passed through mostly rural areas and crossed over the New York State Thruway ( Interstate 90 or I @-@ 90 ) without connecting to the highway .

NY 428 was assigned c . 1932 and removed in 1980 after ownership and maintenance of the highway was transferred from the state of New York to Chautauqua County as part of a highway maintenance swap between the two levels of government . Although the swap took effect on April 1 , the NY 428 designation was not removed until September 9 . The former routing of NY 428 is now the northernmost section of County Route 85 ( CR 85 ) .

= = Route description = =

NY 428 began at an intersection with NY 39 and CR 87 in Forestville . It headed north through the village on Center Street , passing by several blocks of homes and intersecting CR 89 before it exited Forestville . Outside of Forestville in Hanover , NY 428 continued northward as Bennett State Road through farmland , paralleling both CR 89 and Walnut Creek to the hamlet of Keaches Corners , where it met CR 84 .

The highway continued onward through open fields , intersecting CR 86 just before passing over the New York State Thruway ( I @-@ 90 ) . Past the Thruway , NY 428 continued north along Silver Creek into the village of Silver Creek , where it became known as Division Street at the village line . It followed Division Street for two blocks through a lightly populated area before turning west onto Burgess Street for another two blocks through a more densely populated portion of the community . NY 428 ended at an intersection with US 20 south of the village center .

= = History = =

NY 428 was assigned c . 1932 to a previously unnumbered roadway between Forestville and Silver Creek . The route remained intact until 1980 when the roadway was given to Chautauqua County as part of a large @-@ scale maintenance swap of routes within the county . Under the terms of the deal , NY 428 was transferred to the county along with NY 424 , the segment of NY 380 between NY 424 and US 20 , and two reference routes in the vicinity of Dunkirk and Fredonia . In exchange , NYSDOT assumed control over NY 394 between US 20 and NY 5 in Westfield , US 62 from NY 60 to NY 394 east of Jamestown , and Forest Avenue ( unsigned reference route NY 952P ) from the Pennsylvania state line in Busti to NY 60 in Jamestown . Although the swap was officially conducted on April 1 , NY 428 was not removed until September 9 . CR 85 , which ran from CR 66 in Thornton to NY 39 in Forestville at the time , was then extended northward over the former routing of NY 428 to Silver Creek .

= = Major intersections = =

The entire route was in Chautauqua County .
