

= M @-@ 218 (Michigan highway) =

M @-@ 218 was a state trunkline highway in the US state of Michigan that served as a connector route from Interstate 96 (I @-@ 96 , originally US Highway 16 , US 16) in Wixom through Oakland County 's lake country area to Business US 10 (Bus . US 10) in Pontiac . M @-@ 218 was originally designated by 1936 and extended into Pontiac in 1938 . The highway was decommissioned in 1963 .

= = Route description = =

M @-@ 218 began at a junction with I @-@ 96 in Wixom . From there , the road traveled north via Wixom Road to present @-@ day Pontiac Trail (which at the time was 14 Mile Road) and continued northeast . The trunkline then continued along Pontiac Trail , meandering through the communities of Walled Lake , Orchard Lake Village , Keego Harbor and Sylvan Lake in Oakland County 's lake country . Northeast of Sylvan lake , the highway crossed US 10 (Telegraph Road) and crossed into Pontiac . M @-@ 218 terminated at a junction with Bus . US 10 in downtown .

= = History = =

When M @-@ 218 was first introduced into the State Trunkline System by 1936 , it served as a connector between M @-@ 58 in Pontiac and US 16 in West Novi . In 1938 , the route was extended into Pontiac where it terminated at US 10 . The trunkline continued to serve in this capacity until it was removed from the trunkline system in 1963 .

= = Major intersections = =

The entire highway was in Oakland County .
