When Princeton head coach Sydney Johnson recruited him , the only competition was mid @-@ major schools and Hummer was not interested in any of them . During his campus visit with his father at his brother Alex 's (Princeton Class of 2011) dorm room , he decided at midnight to go hang out at Dan Mavraides room across campus , signalling to his father that he was pretty comfortable with Princeton and likely to attend . Due to Hummer 's relationship with former Princeton and current Georgetown Hoyas men 's basketball head coach John Thompson III , he was able to train at the Georgetown University gym over the summers .
