

= Ohio State Route 605 =

State Route 605 (SR 605) is a 9 @. @ 38 @-@ mile @-@ long (15 @. @ 10 km) north ? south state highway in central Ohio . The southern terminus of SR 605 is at a signalized intersection with U.S. Route 62 (US 62) in the northeastern Columbus suburb of New Albany . Its northern terminus is also at SR 37 , a signalized intersection approximately 3 miles (4 @. @ 8 km) southeast of Sunbury . The route was designated in 1937 , and the northern terminus was moved in 1994 .

= = Route description = =

SR 605 runs through the northeastern corner of Franklin County and the southeastern portion of Delaware County . 5 @, @ 470 vehicles travel the road on average daily near the southern terminus , and 3 @, @ 840 near the northern terminus . It starts at a signalized intersection with US 62 in downtown New Albany . The route quickly leaves downtown New Albany and heads northward . SR 605 soon crosses over SR 161 using a bridge , and intersects Walton Parkway . Here , houses slowly transition to farmland . The road then intersects Bevelheimer Road and crosses into Delaware County , in the middle of large fields . A few miles into Delaware County , SR 605 crosses Center Village Road in the unincorporated village of Center Village . Soon after , SR 605 ends at the signalized intersection of SR 37 and continues as County Road 605 .

= = History = =

A road from New Albany to north of Center Village first appeared on maps in 1924 . In 1929 , the road was extended to connect to Condit . SR 605 was designated in 1937 , following the alignment from US 62 , to a junction with the US 36 / SR 3 concurrency in Condit . By 1994 , jurisdiction of the portion of SR 605 between SR 37 and the US 36 / SR 3 concurrency was transferred from the Ohio Department of Transportation (ODOT) to Delaware County , who renamed the road to County Road 605 . As a result of this move , SR 605 took on the routing that it does today .
