Lindsay Dee Lohan (born July 2 , 1986) is an American actress . She is also a model , singer , songwriter , director , and producer .

Lohan began her career as a child fashion model when she was three , and was later featured on the soap opera Another World for a year when she was 10 . At age 11 , Lohan made her motion picture debut in Disney 's remake of The Parent Trap (1998) , a critical and commercial success . Her next major motion picture , Disney 's remake of Freaky Friday (2003) , was also a critical and commercial success . With the release of Mean Girls (2004) , another critical and commercial success , and Disney 's Herbie : Fully Loaded (2005) , another commercial success , Lohan became a teen idol sensation , a household name and a frequent focus of paparazzi and tabloids . However , Lohan 's next starring role in the romantic comedy Just My Luck (2006) , received poor reviews and was only a modest commercial success . Following Just My Luck , Lohan focused on smaller , more mature roles in independent movies , receiving positive comments on her work , including A Prairie Home Companion (2006) , Bobby (2006) and Chapter 27 (2007) .

After recording several songs for her movie soundtracks , Lohan signed with Casablanca Records . Lohan 's debut studio album , titled Speak , was released in December 2004 and became the first high @-@ seller from Casablanca in several years , selling 1 million copies in the United States alone and peaking at number four on the Billboard 200 . Though the album received mostly lukewarm reviews , it was certified platinum . Lohan 's second album , titled A Little More Personal (Raw) , was released in December 2005 and featured darker material than her debut had . That album received mixed reviews , and it was certified gold .

In 2007 , two driving under the influence incidents led to Lohan being put on probation , and together with three visits to rehabilitation facilities caused the loss of several movie deals . In 2008 and 2009 , Lohan worked as a fashion model and launched the clothing line 6126 . She resumed her acting career with TV work in 2008 , and starred in the TV film Labor Pains (2009) . She appeared in Robert Rodriguez 's feature film Machete (2010) . Between 2010 and 2013 , Lohan went into rehabilitation three times , and spent much of her time entangled in legal problems stemming from misdemeanors and probation violations . In 2012 and 2013 , she did further television work , including starring as Elizabeth Taylor in the biographical TV film Liz & Dick (2012) . In 2013 , she starred in Paul Schrader 's independent film The Canyons . In 2014 , the docu @-@ series Lindsay aired on the Oprah Winfrey Network , and Lohan made her stage debut in the London West End production of Speed @-@ the @-@ Plow .

Lohan began her career as a child model with Ford Models at the age of three . She modeled for Calvin Klein Kids and Abercrombie , and appeared in over 60 television commercials for brands like Pizza Hut and Wendy 's , as well as a Jell @-@ O spot with Bill Cosby . By the age of 10 , when Lohan played Alexandra " Alli " Fowler in the television soap opera Another World , Soap Opera Magazine said she was already considered a show @-@ business veteran .

Lohan remained in the role for a year , before leaving to star in Disney 's 1998 family comedy The Parent Trap , a remake of the 1961 movie . She played dual roles of twins , separated in infancy , who try to reunite their long @-@ divorced parents , played by Dennis Quaid and Natasha Richardson . The film earned \$ 92 million worldwide , and received largely positive reviews . Critic Kenneth Turan called Lohan " the soul of this film as much as Hayley Mills was of the original , " going on to say that " she is more adept than her predecessor at creating two distinct personalities . " The film won Lohan a Young Artist Award for best performance in a feature film as well as a three @-@ film contract with Disney . At the age of 14 , Lohan played Bette Midler 's daughter in the pilot episode of the short @-@ lived series Bette , but she resigned her role when the production moved from New York to Los Angeles . She also starred in two Disney television movies : Life @-@ Size alongside Tyra Banks in 2000 , and Get a Clue in 2002 .

Next Lohan starred alongside Jamie Lee Curtis in the 2003 remake of Disney 's family comedy Freaky Friday , playing a mother and daughter who switch bodies and have to take on each other 's roles . At Lohan 's initiative , her character was rewritten and changed from a Goth style to be more mainstream . Critic Roger Ebert wrote that Lohan " has that Jodie Foster sort of seriousness and intent focus beneath her teenage persona . " Freaky Friday earned Lohan the award for Breakthrough Performance at the 2004 MTV Movie Awards and , as of 2015 , it remained her most commercially successful film , earning \$ 160 million worldwide as well as an 88 percent approval rating on Rotten Tomatoes .

In 2004 , Lohan had two lead roles . The first film , Disney 's teen comedy Confessions of a Teenage Drama Queen , earned a domestic box office total of \$ 29 million , with Brandon Gray of Box Office Mojo commenting that it was " well above expectations as it was strictly for young girls . " But the film did not meet with critical acclaim . Robert K. Elder of the Chicago Tribune wrote that " though still a promising star , Lohan will have to do a little penance before she 's forgiven for Confessions . " Her second lead role that year , in the teen comedy Mean Girls , marked Lohan 's first movie independent of Disney . Based in part on the non @-@ fiction book Queen Bees and Wannabes , the film stars Lohan as a previously homeschooled 16 @-@ year @-@ old learning to navigate the social cliques of a public high school . It was a critical and commercial success , grossing \$ 129 million worldwide and , according to Brandon Gray , " cementing her status as the new teen movie queen . " Mick LaSalle from the San Francisco Chronicle wrote that " Lohan is sensitive and appealing , a solid locus for audience sympathy . " David Rooney from Variety said that " Lohan displays plenty of charm , verve and deft comic timing . " Lohan received four awards at the 2004 Teen Choice Awards for Freaky Friday and Mean Girls , including Breakout Movie Star . Mean Girls also earned her two awards at the 2005 MTV Movie Awards . With Mean Girls , Lohan 's public profile was raised significantly . Vanity Fair described how she became a household name . Paparazzi began following her and her love life and partying became frequent targets of gossip sites and the tabloid media . Following Mean Girls , which was scripted by former " Not Ready For Prime Time Actress " Tina Fey and featured several other veterans of Saturday Night Live 's " Not Ready For Prime Time Company , " Lohan hosted the show three times between 2004 and 2006 . In 2004 , when Lohan was 17 , she became the youngest host of the MTV Movie Awards and in 2006 she hosted the 2006 World Music Awards .

Lohan returned to Disney in 2005 , starring in the comedy Herbie : Fully Loaded , the fifth film in the series with the anthropomorphic car Herbie . Fully Loaded earned \$ 144 million worldwide , but it received mixed reviews . Stephen Holden of The New York Times called Lohan " a genuine star who ... seems completely at home on the screen " , while James Berardinelli wrote that " as bright a starlet as she may be , Lohan ends up playing second fiddle to the car . " While shooting the film in

2004 , Lohan was hospitalized with a kidney infection brought on by stress in her personal life and from recording her first album while the film was in production , prompting Vanity Fair to label it Lohan 's " first disastrous shoot . " . She also guest @-@ starred in an episode of That ' 70s Show , of whose cast Wilmer Valderrama , her boyfriend at the time , was a regular member . According to Vanity Fair , the breakup with Valderrama contributed to Lohan 's issues during the Herbie shoot . In 2005 , Lohan became the first person to have a My Scene celebrity doll released by Mattel . She also voiced herself in the animated direct @-@ to @-@ DVD film My Scene Goes Hollywood , based on the series of dolls .

Following Mean Girls , Lohan spent several years living out of hotels in Los Angeles , of which two years were spent at the infamous Chateau Marmont , where comedy actor John Belushi , himself a former " Not Ready For Prime Time Actor , " had died . In late 2007 , after settling down in a more permanent residence , she explained that she " didn 't want to be alone " but that " it wasn 't a way of life ... not very consistent . " She had a series of car accidents that were widely reported , in August 2004 , October 2005 , and November of 2006 , when she suffered minor injuries because a paparazzo who was following her for a photograph hit her car .

Lohan 's next widely released film , the romantic comedy Just My Luck , opened in May 2006 and , according to Variety , earned her over \$ 7 million . The opening weekend box office takings of \$ 5 @.@ 7 million " broke lead actress Lindsay Lohan 's winning streak " according to Brandon Gray . The film received poor reviews and earned Lohan her first Golden Raspberry nomination for Worst Actress . Following Just My Luck , Lohan focused on smaller roles in more mature , independent movies . Robert Altman 's ensemble comedy A Prairie Home Companion , based on humorist Garrison Keillor 's works , in which Lohan co @-@ stars with Meryl Streep and Lily Tomlin , had a limited release in June 2006 . Peter Travers wrote for Rolling Stone that " Lohan rises to the occasion , delivering a rock @-@ the @-@ house version of ' Frankie and Johnny . ' " Co @-@ star Streep said of Lohan 's acting : " She 's in command of the art form " and " completely , visibly living in front of the camera . " The Emilio Estevez ensemble drama Bobby , about the hours leading up to the Robert F. Kennedy assassination , was released in theaters in November 2006 . Lohan received favorable comments for her performance , particularly a scene alongside Sharon Stone . As part of the Bobby ensemble cast , Lohan was nominated for a Screen Actors Guild Award . In 2006 , Lohan attended Alcoholics Anonymous meetings .

Lohan 's next appearance was in Chapter 27 as a John Lennon fan who befriends Mark David Chapman , played by Jared Leto , on the day he murders Lennon . Filming finished in early 2006 , but the film was not released until March 2008 due to difficulties in finding a distributor . In May 2007 , the drama Georgia Rule was released . In the film , Lohan portrays an out @-@ of @-@ control teenager whose mother (Felicity Huffman) brings her to the house of her own estranged mother (Jane Fonda) . Owen Gleiberman of Entertainment Weekly wrote that " Lohan hits a true note of spiteful princess narcissism . " During filming in 2006 , Lohan was hospitalized , her representative saying " she was overheated and dehydrated . " At the time Lohan was going through a breakup with Hard Rock Cafe heir Harry Morton , which contributed to her problems on the set , according to Allure . In a letter that was made public , studio executive James G. Robinson called Lohan " irresponsible and unprofessional . " He mentioned " various late arrivals and absences from the set " and said that " we are well aware that your ongoing all night heavy partying is the real reason for your so @-@ called ' exhaustion . ' " In 2007 , Lohan was cast in the film Poor Things . But in May of that year , she was arrested on a charge of driving under the influence of alcohol (DUI .) The film 's producers initially voiced support , and production was put on hold , as Lohan entered the Promises Treatment Center rehabilitation facility where she stayed for 45 days . She ultimately lost the Poor Things part . In July , less than two weeks out of rehab , Lohan was arrested a second time on charges of possession of cocaine , driving under the influence and driving with a suspended license . In August , Lohan pleaded guilty to misdemeanor cocaine use and driving under the influence and was sentenced to an alcohol education program , community service , one day in jail , and was

given three years probation . Lohan released a statement in which she said " it is clear to me that my life has become completely unmanageable because I am addicted to alcohol and drugs . " The same month she entered the Cirque Lodge Treatment Center in Sundance , Utah for a third stint at rehabilitation , staying for three months until her discharge in October . In November Lohan served 84 minutes in jail . A sheriff spokesman cited overcrowding and the nonviolent nature of the crime as reasons for the reduced sentence .

In early January 2007 , production on the film I Know Who Killed Me was put on hold when Lohan underwent appendix surgery . Lohan admitted herself to the Wonderland Center rehabilitation facility for a 30 @-@ day stay , though she continued shooting the film , returning to the facility at night . Shortly thereafter , Lohan withdrew from a film adaptation of Oscar Wilde 's A Woman of No Importance , her publicist stating that Lohan needed to " focus on getting better . " Lohan was replaced in The Edge of Love in April 2007 , shortly before filming was to begin , with the director citing " insurance reasons " and Lohan later explaining that she " was going through a really bad time then . "

In the wake of her second DUI arrest , Lohan withdrew from a scheduled appearance on The Tonight Show with Jay Leno in which she had been due to promote I Know Who Killed Me , a low @-@ budget psychological horror @-@ thriller in which she stars as a stripper with a dual personality . The film premiered in July 2007 to what Entertainment Weekly called " an abysmal \$ 3 @.@ 5 million . " It earned Lohan dual Golden Raspberry awards for Worst Actress , with Lohan coming first and second , tying with herself . Hollywood executives and industry insiders commented that it would be difficult for Lohan to find employment until she could prove that she was sober and reliable , citing possible issues with securing insurance .

In May 2008 , Lohan made her first screen appearance since I Know Who Killed Me , on ABC 's television series Ugly Betty . She guest starred in four episodes as Kimmie Keegan , an old schoolmate of the protagonist Betty Suarez . Articles about Lohan have appeared in various men 's magazines . She was voted No. 10 on the list of " 100 Sexiest Women " by readers of FHM in 2005 , No.13 in 2006 , No.30 in 2007 , and No.41 in 2008 , while Maxim placed her third on its " Hot 100 " list in 2006 and first in 2007 . Lohan has been the face of Jill Stuart , Miu Miu , and Dooney & Bourke , as well as the 2008 Visa Swap British fashion campaign . She was also the face of Italian clothing company Fornarina for its Spring / Summer 2009 campaign . Lohan has a long @-@ lasting fascination with Marilyn Monroe going back to when she saw Niagara during The Parent Trap shoot . In the 2008 Spring Fashion edition of New York magazine , Lohan re @-@ created Monroe 's final photo shoot , known as The Last Sitting , including nudity , saying that the photo shoot was " an honor . " The New York Times critic Ginia Bellafante found it disturbing , saying " the pictures ask viewers to engage in a kind of mock necrophilia [and] the photographs bear none of Monroe 's fragility . " In 2008 , Lohan launched a clothes line , whose name 6126 was designed to represent Monroe 's birth date (June 1 , 1926) . The line started with leggings , before expanding to a full collection , covering 280 pieces as of April 2010 . In April 2009 , Lohan released a self @-@ tanning spray under the brand name Sevin Nyne in collaboration with Sephora . In September 2009 , Lohan became an artistic adviser for the French fashion house Emanuel Ungaro . A collection by designer Estrella Archs with Lohan as adviser was presented in October , receiving a " disastrous " reception , according to Entertainment Weekly and New York . Lohan left the company in March 2010 .

In the comedy Labor Pains , Lohan plays a woman who pretends to be pregnant . During the shoot , Lohan 's manager worked with the paparazzi to encourage the media to show her working , as opposed to partying . It was originally planned for a theatrical release , but instead appeared as a TV movie on the ABC Family cable channel in July 2009 , " a setback for the star " according to Variety . The premiere received 2 @.@ 1 million viewers , " better @-@ than @-@ average " for the channel according to E ! Online . Alessandra Stanley of The New York Times wrote that " this is not a triumphant return of a prodigal child star [Labor Pains] never shakes free of the heavy baggage Ms. Lohan brings to the role . " Lohan was a guest judge on US TV style contest Project Runway sixth season premiere episode , which aired in August 2009 .

In October 2009 , Lohan 's DUI probation was extended by an additional year , following several instances in which she failed to attend the court @-@ ordered substance abuse treatment classes .

Lohan narrated and presented the British television documentary Lindsay Lohan 's Indian Journey , about human trafficking in India . It was filmed during a week in India in December 2009 , and transmitted on BBC Three in April 2010 . The BBC was criticized for having hired Lohan , and while reviewers called the documentary compelling , they also found Lohan 's presence to be odd and distracting . Lohan said : " I hope my presence in India will bring awareness to the really important issues raised in making this film . " In April 2010 , Lohan was let go from the film *The Other Side* where she had been set to star , with the director saying she was " not bankable . " In May 2010 , Lohan traveled to the Cannes Film Festival to promote the biographical drama *Inferno* . She was set to star as the lead , adult @-@ film performer Linda Lovelace , but was later replaced while in court mandated rehab . Because she was in Cannes , Lohan missed a mandatory DUI progress hearing . A bench warrant was issued for her arrest which was rescinded after she posted bail . A judge determined that Lohan had violated the terms of her probation by missing several mandatory classes and meetings . She was sentenced to 90 days in jail , followed by 90 days of inpatient rehab treatment . However , Lohan served only 14 days of the jail sentence , due to overcrowding . She then entered an inpatient rehabilitation facility , from where she was released after only 23 days .

In June 2010 , Lohan was the subject of a fashion shoot in the photographer docu @-@ series *Double Exposure* on Bravo . Robert Rodriguez 's action exploitation film *Machete* opened in September 2010 . In the film , Lohan 's character takes drugs , is naked in much of her appearance , and later dons a nun 's habit while toting a machine gun . Its critical reviews were mixed . The *Washington Post* described her character as " a campier , trampier version of herself ? or at least her tabloid image . " *Premiere.com* said she was " terrible " while *Variety* called it " her best work in some time . " Because of her rehabilitation and legal engagements , Lohan did not participate in promotion of the movie . Lohan filmed a sketch where she is dressed as Marilyn Monroe for *Inappropriate Comedy* in 2010 . The film had issues finding a distributor and was not released until 2013 , when it was met with poor box office and critical reception . Lohan appeared on the October 2010 cover of *Vanity Fair* . She told the magazine : " I want my career back " and " I know that I 'm a damn good actress . "

In September 2010 , Lohan 's probation was revoked following a failed drug test . She spent part of the day in jail before being released on bail . A few days later , she entered the Betty Ford Center , a drug and alcohol treatment center , where she remained on court order for three months until early January 2011 . In February 2011 , Lohan was charged with the theft of a necklace reported stolen from a jewelry store the month before . She was sentenced to community service and 120 days in jail for misdemeanor theft and probation violation , to which she pleaded no contest . Due to jail overcrowding , Lohan served the sentence under house confinement , wearing a tracking ankle monitor for 35 days . In November , Lohan was found to have violated the terms of her probation by failing to perform the required community service . She was sentenced to additional community service and 30 days in jail , of which she served less than 5 hours due to overcrowding .

Lohan appeared in the January / February 2012 issue of *Playboy* magazine , in a shoot inspired by a nude pictorial of Marilyn Monroe from the first issue of the magazine . Editor Hugh Hefner said Lohan 's issue was " breaking sales records . " Lohan had not appeared on *Saturday Night Live* since 2006 , when she hosted the show for the fourth time in March of 2012 . Her appearance received mixed to negative reviews . Critics appreciated the self @-@ deprecating references to her personal troubles , but also commented that she largely played a supporting role . The episode had the second highest ratings of the season with 7 @.@ 4 million viewers . In May 2012 , Lohan appeared briefly , as a celebrity judge , on the television series *Glee* , in the episode " Nationals . " Lohan stars as a surfer in the art film *First Point* by artist Richard Phillips . It debuted at Art Basel in June 2012 and features a score by Thomas Bangalter from Daft Punk . Comments from critics on Lohan 's work were mixed .

Lohan starred as Elizabeth Taylor in the biographical made @-@ for @-@ TV movie *Liz & Dick* , which premiered on the Lifetime cable channel in November 2012 . Reviews of Lohan 's performance were largely , but not unanimously , negative . The *Hollywood Reporter* said she was " woeful " while *Variety* called her " adequate . " *Entertainment Weekly* described the premiere ratings of 3 @.@ 5 millions as " a little soft . " On way to the *Liz & Dick* set in June 2012 , Lohan was in a

car accident , where she sustained minor injuries and which caused a delay in production . During the production , paramedics were called to Lohan 's hotel room , treating her for exhaustion and dehydration .

In March 2013 , Lohan pleaded no contest to misdemeanor charges stemming from the June 2012 car accident ; reckless driving and providing false information to a police officer . She was sentenced to community service , psychotherapy and lockdown rehabilitation . Her probation was also extended for another two years . Between May and July 2013 Lohan spent 90 days in rehabilitation .

In April 2013 , the horror comedy Scary Movie 5 was released , where Lohan appears as herself alongside Charlie Sheen in the opening sketch . While the movie itself was panned by critics , a few reviewers found Lohan 's and Sheen 's to be one of the better scenes . The same month Lohan guest @-@ starred as herself in an episode of Sheen 's comedy series Anger Management .

In August 2013 , just days after Lohan left rehab , The Canyons was released , an independent erotic thriller directed by Paul Schrader and written by Bret Easton Ellis . It was made on a low budget , most of which was gathered through online fund raiser Kickstarter . Lohan received \$ 100 a day and a share of the profits , and she was also credited as a co @-@ producer . The New York Times Magazine described Lohan as difficult to work with , and the shoot as fraught with conflict between Lohan and Schrader . Lohan and her co @-@ star , adult @-@ film actor James Deen , portray an actress and a producer in a volatile relationship . Reviews for the film were generally poor , but several critics praised Lohan 's performance . The New Yorker said she was " overwrought and unfocused " while Variety called her " very affecting " and Salon described her as " almost incandescent . " The same month Lohan filled in for Chelsea Handler as host of the cable talk show Chelsea Lately . She received mostly positive reviews for her appearance and the show garnered its best ratings of the year .

Lohan had planned on releasing an album in the summer of 2001 , according to her official website , Ilrocks.com. No album was released in 2001 , but Lohan had begun recording demo tracks with Emilio Estefan , Jr . He and his wife , Gloria Estefan , signed Lohan to a five @-@ album production deal in September 2002 . " I am extremely excited to be working with Emilio . I am surrounded by a group of very talented people whom have made me feel like part of their family , " Lohan said to the press . Also in September , Lohan landed the role as the daughter in Disney 's remake , Freaky Friday , which required her to learn how to play the guitar and to sing . Lohan recorded a song for the film , " Ultimate , " which was released to Radio Disney to help promote the film . The song peaked at # 18 on Radio Disney 's Top 30 . Lohan announced that the song was separate from her singing career , since many teen idols such as Hilary Duff and Raven @-@ Symoné were expanding their careers from acting to singing . In 2003 , Lohan recorded four songs including a Radio Disney hit , " Drama Queen (That Girl) , " that were released for the soundtrack to Lohan 's film , Confessions of a Teenage Drama Queen .

Lohan began writing the tracks on her album in April 2004 . " I write a lot of lyrics and I 'm involved in the producing process , because it 's like , if I 'm singing it , I want it to be something that I can relate to , " Lohan said . " I 'm just trying to feel it out and see where it goes . I 'm playing guitar and I also love to dance , so [the music will be] somewhere along the lines of hip @-@ hop and rock . " She had begun working with Diane Warren and Randy Jackson , who were going to help write and produce her album . Diane Warren wrote the song , " I Decide , " for Lohan which was originally going to be on her album . When Lohan decided not to collaborate with Warren and Jackson , " I Decide " was instead released on the soundtrack to the film The Princess Diaries 2 : Royal Engagement and on to Radio Disney .

Lohan 's debut album , Speak , was released in the United States on December 7 , 2004 . The album was the first high @-@ seller from Casablanca Records in several years , selling 1 @,@ 000 @,@ 000 units in the United States . The album received mostly negative reviews , with critics commenting that Lohan " isn 't a bad singer , but not an extraordinary singer either . " In the United States , the album peaked at number four on the Billboard 200 , selling 261 @,@ 762 copies in its first week . In Germany the album debuted at the # 53 position and took four weeks to complete its chart run . The first two singles from Speak , " Rumors " and " Over , " were both successes , with " Over " topping the Bubbling Under Hot 100 Singles where it stayed for three weeks . The song also did well internationally in countries such as Australia , Ireland , and the United Kingdom . " Rumors " peaked at # 6 on the Bubbling Under Hot 100 Singles chart and also did well in Australia and Germany , where it reached # 14 . The music video for " Rumors " was nominated for " Best Pop Video " at the 2005 MTV Video Music Awards . Both songs received heavy airplay on MTV 's Total Request Live . The final single , " First , " was released to help promote Lohan 's film , Herbie : Fully Loaded . The song earned small success in Australia and Germany . Lohan promoted the album by performing the songs in a number of live appearances . Plans for a tour in Taiwan were planned , but were later scrapped .

Lohan 's second album , A Little More Personal (Raw) , was released in December 2005 . It peaked at number 20 on the Billboard 200 chart , and was eventually certified Gold . Lohan co @-@ wrote most of the songs on the album , which received a mixed critical response . Slant Magazine called it " contrived ... for all the so @-@ called weighty subject matter , there 's not much meat on these bones . " Lohan herself directed the music video for the album 's only single , " Confessions of a Broken Heart (Daughter to Father) , " which features her sister Ali Lohan . The video is a dramatization of the pain Lohan said her family suffered at the hands of her father . It was her first song to chart on the Billboard Hot 100 , peaking at number 57 .
