

= Nevada State Route 564 =

State Route 564 (SR 564) is an east ? west highway in Clark County , Nevada , in the southeast portion of the Las Vegas Valley . The route travels through the city of Henderson , connecting Interstate 215 (I @-@ 215) and I @-@ 515 / U.S. Route 93 (US 93) / US 95 to Lake Mead . The route was designated in 2002 , replacing a portion of SR 146 .

= = Route description = =

State Route 564 begins as a continuation of the Las Vegas Beltway , starting where I @-@ 215 ends at its junction with I @-@ 515 / US 93 / US 95 . From there , the route travels east along Lake Mead Parkway , a major arterial roadway , towards downtown Henderson to cross Boulder Highway (SR 582) . After entering the center of Henderson , SR 564 turns northeast near residential areas . The route then turns east just west of Lake Mead National Recreation Area . The road enters the park , near by Lake Las Vegas . State maintenance ends , and the road continues east . Around 52 @,@ 500 vehicles travel on the highway near its western terminus on average each day .

= = History = =

In the late 1970s , the highways in the state highway system were renumbered . SR 41 was split into two state routes . SR 146 is a started from I @-@ 15 to US 93 / US 95 in Henderson . SR 147 started from US 93 / US 95 to North Las Vegas . A limited access highway alignment from US 93 / US 85 started construction in 1985 ? 86 . An interchange was built for SR 146 in 1989 ? 90 , and the highway was completed by 1995 ? 96 . The designation I @-@ 515 was added to the highway . In the same period , SR 147 's designation was removed from eastern section of Lake Mead Drive , and replaced by SR 146 . As the Las Vegas Beltway (I @-@ 215) was being constructed in the late 1990s , the last five miles (8 @.@ 0 km) between Saint Rose Parkway and Interstate 515 were constructed on the SR 146 alignment . This left SR 146 in two separate segments . The eastern segment of SR 146 was reassigned to SR 564 by 2002 . I @-@ 215 from SR 146 to SR 564 's western terminus was completed in October 2005 .
