= = Route description = =

M @-@ 152 begins at an intersection with South County Line Road on the border between Van Buren and Berrien counties just west of Round Lake . Known as 92nd Avenue , M @-@ 152 travels due east past the Sister Lakes area before turning south on 66th Street . From there , the road passes between Dewey and Magician Lakes before returning to its easterly course where it assumes the name Dewey Lake Street . Between the western terminus and Dewey Lake Street , the highway passes provides access to the cabins around the lakes . The route continues eastward for nearly three and a half miles through farmland before terminating at a junction with M @-@ 51 . M @-@ 152 is not on the National Highway System , a system of regionally important highways . In a traffic survey by the Michigan Department of Transportation (MDOT) in 2009 , the department measured the average annual daily traffic (AADT) , a computation of the average traffic levels for a segment of roadway on any given day of the year . This was calculated at 3 @,@ 318 vehicles over the entire length of M @-@ 152 . The commercial AADT in the same survey was 73 vehicles .
